Because there is a tie for two of the single-room occupancy hotel residential tenant seats and for one of the non-SRO residential tenant seats, the persons to be designated for these positions shall be selected by lot drawn by the San Francisco Redevelopment Agency at a meeting open to the public. When the time, date, and location of the public meeting has been determined, it will be posted on this website. Please contact Mike Grisso, project manager at the San Francisco Redevelopment Agency, at 749-2510 if you have any questions.
