

■ Steps to staying safe:

Keep a little **money** with me.

Keep my **cell phone charged** and with me.

Teach my children to go to a safe place (a friend's, neighbor's, or relative's home).

Teach my children to call the police when there is danger and to give their full name, address, and phone number.

Keep an **emergency bag ready** in a safe place.

■ Building my independence:

I can start **saving money** and store it in a safe place (like my own bank account).

I can **get help** from a counselor, an advocate, a health care provider, or legal services.

I can try to **keep in touch** with a friend or family member who I trust.
