The National Night Out/Backpack giveaway event was held on August 3, 2021. The event was well attended with over 150 residents plus vendors, nonprofit staff, resident groups, the Villages and TIDA staff. All enjoyed the evening with pizza, hot dogs and the DJ. Back packs were given out to children and the SFPD and SFFD engaged the community through handing out stickers, fire hats and information. The Villages, YMCA, SFPD, Residents Supporting Community and Job Corp all provided raffle prizes including bikes, emergency prep backpacks, gift cards and SF Giants gear. Thank you to all who helped to make the TI National Night Out a big success!
 - **Nourish Treasure Island**

The One TI Nourish TI project is in full swing with free food being offered to island residents 5 days per week. An average of 200 residents are requesting meals from both restaurants and the food trucks on Saturdays. Back Up Batteries for residents with medical devices

One TI continues to work with TIDA and an island resident to research back up batteries to purchase for clients with medical devices to use during power outages. The research is a bit more in depth than we originally anticipated, so we hope to have a final recommendation on a battery to purchase by the end of August so we can purchase and distribute in September 2021.

Notes:

- Pre-DDA Households are defined in the Transition Housing Rules and Regulations. TIDA is referring to these households as Legacy Households.
- Post-DDA Occupants are defined in the Transition Housing Rules and Regulations. The Second Amendment to the THRR adopted by the TIDA Board in December 2020 prioritized income-qualifying tenants as of that date for placement in future affordable units. This created two classes of Post-DDA Occupants – those arriving prior to and after the amendment date. TIDA is referring to tenants arriving prior to the Amendment date as Vested Tenants.
