Proposed Policy Changes

Proposed Changes	Projected Impacts
<p>#1. Removal of enrollment restrictions for individuals with active I-94 status, if ineligible for full-scope Medi-Cal</p>	<ul style="list-style-type: none"> ✓ Streamline enrollment process ✓ Minimize delays in necessary care ✓ No significant enrollment changes projected
<p>#2. Removal of 90-day waiting period for recently uninsured individuals</p>	<ul style="list-style-type: none"> ✓ Continue being the last program of resort

Rationale

- HSF replacing enrollment and eligibility system One-E-App this fall
- Opportunity to modify and update program policies to:
 - ✓ Eliminate rules that no longer serve original purpose
 - ✓ Reduce administrative complexity for enrollment
 - ✓ Increase access to care

Next Steps and Q&A

- If the Health Commission approves these policy changes,
 - ✓ HSF program will create a detailed plan to ensure a smooth implementation
 - ✓ Changes will be executed as part of the new HSF eligibility and enrollment system launch this fall
