New Business

San Francisco Municipal Transportation Agency

Presenter: Katie Angotti

AB 1909 (Friedman): Vehicles: bicycle omnibus bill

Recommended Position: Support and seek amendments

AB 1909 changes provisions of the California Vehicle Code related to the operations of bicycles and the rules of the road for motor vehicles to make it safer for and encourage bicycle and e-bicycle use.

Department of Environment

Presenter: Kyle Wehner

SB 2481 (Smith): Household Hazardous Waste: Facilities: Transportation and Acceptance

Recommended Position: Support

AB 2481 makes a variety of technical and noncontroversial changes to the Health and Safety Code to clarify laws related to transportation of Household Hazardous Waste (HHW) and operation of HHW collection facilities. This bill will provide flexibility for local facilities and make it easier for individuals to properly dispose of household toxics and HHW while still protecting public health, safety, and the environment.

SB 1256 (Wieckowski): Waste management: disposable propane cylinders

Recommended Position: Support

Beginning January 1, 2028, SB 1256 would prohibit the sale of 1 lb. disposable propane cylinders. Violation of this provision may be subject to civil penalties imposed by a city attorney or county counsel.

San Francisco Public Utilities Commission

Presenter: Scott Ammon

SB 1020 (Laird): Clean Energy, Jobs, and Affordability Act of 2022

Recommended Position: Support

This bill would revise the zero-carbon electric sector targets set by SB 100 to include interim targets requiring 90 percent of all retail electricity sales to be supplied by eligible renewable and zero-carbon energy resources by 2035; this requirement would increase to 95 percent by 2040. The bill would also require 100 percent of electricity procured to serve state agencies to be supplied by eligible renewable and zero-carbon resources by 2030.

Mayor's Office of Housing and Community Development

Presenter: Sheila Nickolopoulos

AB 2305 (Grayson): Housing Finance: Coordinated Housing Finance Committee

Recommended Position: Support

AB 2305 will establish a Coordinated Housing Finance Committee to allocate state-controlled resources to finance affordable rental housing. This would provide a one-stop-shop to apply for all state affordable housing financing, which would significantly streamline the current system.

SB 948 (Becker): Housing finance programs: development reserves

Recommended Position: Support

SB 948 will cut costs for affordable housing projects in California by shifting the responsibility to hold a certain amount of money – what are called “transition reserves” – from the individual project level to a pooled reserve model operated by the Department of Housing and Community Development (HCD).

Office of Economic and Workforce Development

Presenter: Ben Van Houten

SB 930 (Wiener): Alcoholic beverages: hours of sale

Recommended Position: Support

SB 930 would empower seven cities in California – Cathedral City, Coachella, Fresno, Oakland, Palm Springs, San Francisco, and West Hollywood – to participate in a pilot program to enable businesses within those jurisdictions to apply for “additional hours licenses” from the Department of Alcoholic Beverage Control (ABC). Additional hours licenses would allow restaurants, bars, and music venues to serve alcoholic beverages between 2am and 4am.
