New Business

Department of Public Health

Presenter: Max Gara

1. SB 110 (Wiener): Substance use disorder services: contingency management services

Recommended Position: Sponsor

This bill seeks to address the increase in methamphetamine use and overdose deaths by expanding substance use disorder treatment options covered under Medi-Cal by requiring Medi-Cal to pay for contingency management.

Office of the Treasurer & Tax Collector

Presenter: Eric Manke

2. SB 219 (McGuire) Property taxation: delinquent penalties and costs: cancellation: public health orders.

Recommended Position: Support

This bill provides county tax collectors the ability to cancel property tax-related late payment penalties or other charges for those taxpayers who have experienced financial hardship due to a shelter-in-place order. Providing statutory authority for our current circumstances, as well as any future public health emergency, is critical to provide consistent application of penalty waivers across the state and to provide taxpayers with appropriate relief.
