II. FINDINGS TO ALLOW TELECONFERENCE MEETINGS UNDER CALIFORNIA GOVERNMENT CODE SECTION 54953(e) (Action Item).

Discussion and possible adoption of a resolution setting forth findings required under Assembly Bill 361 (AB 361) that would allow the State Legislation Committee to hold meetings, or for members of the State Legislation Committee to attend meetings, when necessary, remotely according to the modified Brown Act teleconferencing set forth in AB 361.

IV. STATE LOBBYIST OVERVIEW AND UPDATE (Discussion Item). The City's state lobbyist will present to the Committee an update on State legislative matters.

V. PROPOSED LEGISLATION (Discussion and Action). Discussion and possible action item: the Committee with review and discuss state legislation affecting the City and County of San Francisco. Items are listed by Department, then by bill number.

New Business

San Francisco Municipal Transportation Agency

Presenter: Kathryn Angotti

AB 251 (Ward): California Transportation Commission: vehicle weight safety study

Recommended Position: Support and Seek Amendments

This bill would require the California Transportation Commission (CTC) to convene a task force to study the relationship between vehicle weight and injuries to vulnerable road users, such as pedestrians and cyclists, and to study the costs and benefits of imposing a passenger vehicle weight fee. The bill also requires the CTC to prepare and submit a report of the task force's findings to the Legislature by January 1, 2026.

Office of Economic and Workforce Development

Presenter: Ben VanHouten

SB 76 (Wiener): Alcoholic beverages: music venue license: entertainment zones: consumption

Recommended Position: Support

Senate Bill 76 would make two important changes to state alcohol laws to further support California's economic recovery. First, the bill would enable local jurisdictions to create outdoor "entertainment zones" that would enable bars and restaurants to sell takeout alcoholic beverages to patrons for consumption at street fairs, outdoor festivals, and other events.

SB 76 would also enable music venues to apply for catering licenses and event permits to offer alcohol service at a limited number of events, such as weddings or corporate events, that do not involve entertainment.
