

Angela Calvillo Bio

Angela was appointed as the Clerk of the Board in July of 2007, a nonpartisan, nonpolitical Chartered Officer of the City. As Department #1, the Office of the Clerk of the Board provides operational and administrative resource stewardship to the Board of Supervisors and is a constant advocate for public access to the Boards legislative actions.

Pursuant to Ordinance 94-21, the Office of the Clerk of the Board was tasked with providing and maintaining a webpage, posting Task Force meeting agendas and minutes, coordinating in-person and virtual meetings, and providing equipment and workspace for the Task Force's members, as needed.

The dedicated leadership team and an assembly of amazing employees went above and beyond in administering these resources, encouraging public engagement and providing access and information for the Task Force.
