Artist Biography (Please provide a short biography about yourself and your craft)

Kasia Krasnopolska's work is an investigation of movement, space, natural environments, anatomy and color. The natural world and organic shapes are a direct inspiration from mother nature. In addition to painting, Kasia has a daily modern dance and yoga practice that inspires her observation of fluidity and movement that's portrayed in her art. Dance taught her how to be a better observer, and how to understand space in a three dimensional way. Kasia makes paintings, and designs cloths based on her paintings.

Kasia is originally from Poland, but have been living in San Francisco for 12 years. She'll receive BFA in painting and drawing and a BA in Dance from SFSU 2012.
