Laguna Honda Hospital Executive Team Update

July 9, 2024

Celebrating Full CMS Recertification

Laguna Honda is fully recertified!

- After a 2+ year journey, Laguna Honda is fully recertified in both Medicare and Medicaid.
- Recertification required transformative changes to operations and culture.
- We celebrate staff, residents and their families, and everyone who helped secure the future of Laguna Honda.
- Laguna Honda's key role to serve the diverse residents of San Francisco is why we all fought so hard to secure our future.
- A staff celebration is planned for this summer. More details to come!

Surge Response in Effect for COVID-19

Increase in cases in both the community and Laguna Honda

- Laguna Honda is seeing an increase in COVID-19 cases among staff and residents.
- As of July 3, 2024, there are two units on outbreak status with 20 resident and 33 staff cases.
- Surge protocol was initiated on July 1, 2024, to slow to the transmission which includes limiting in-person gatherings and increased PPE, testing, and symptom monitoring.
- Laguna Honda has responded to surges in the past and will continue to protect the health and wellbeing of residents.

Preparing to Resume Admissions Process

Deliberate and gradual approach to admissions

Discharge Update

Update on process to discharge residents with non-SNF level of care needs

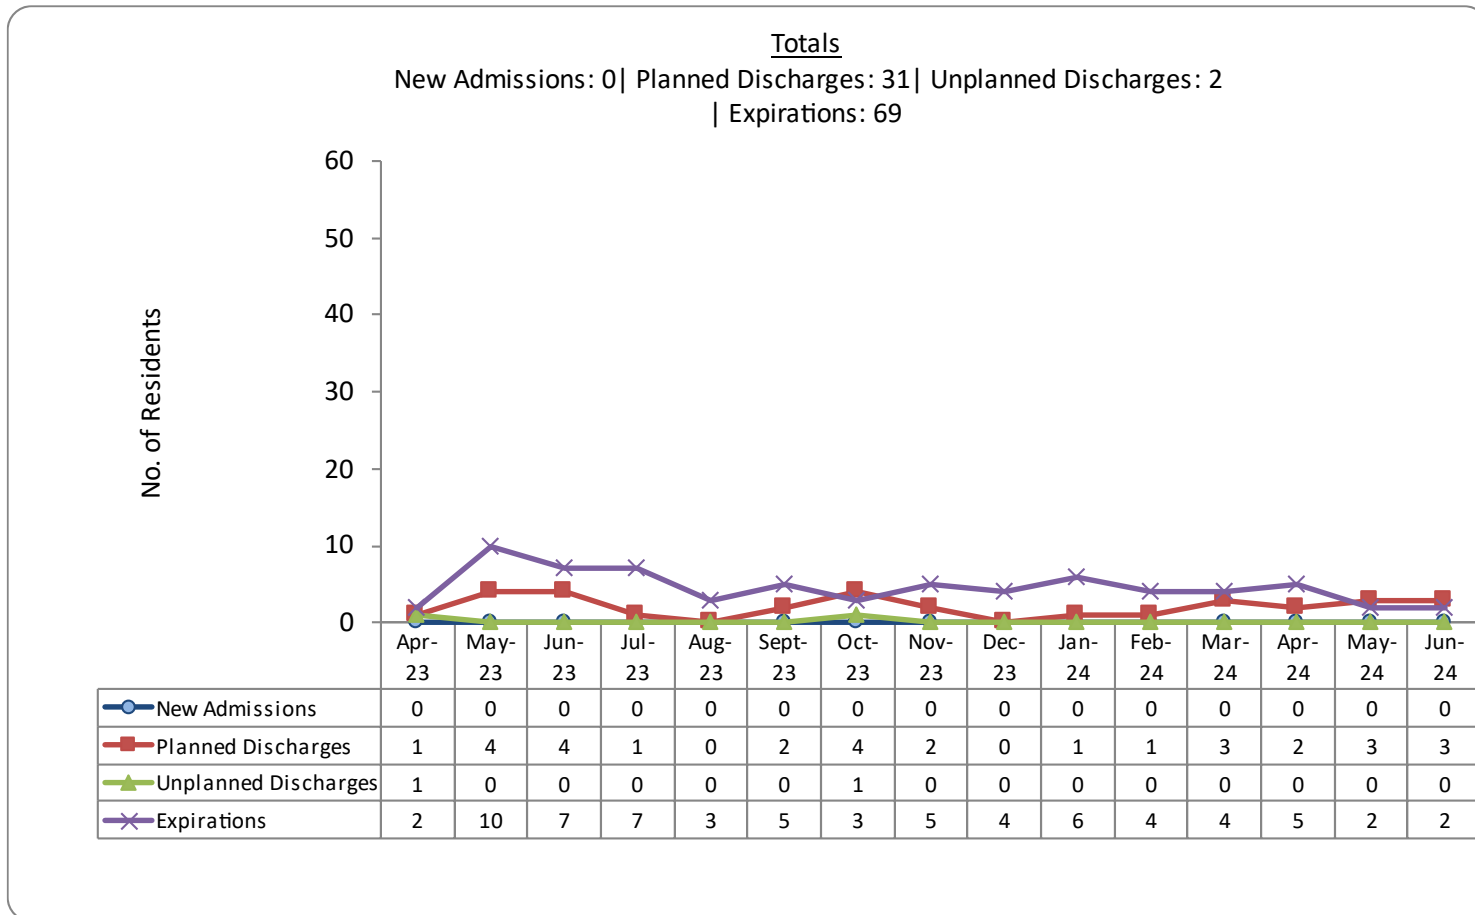

- Actively working to discharge residents who no longer require skilled nursing facility-level (SNF) care.
- The discharge process is often challenging with extended timelines.
- Since facility-initiated discharges resumed in April 2023, Laguna Honda has discharged 31 non-SNF level of care residents.
- There are currently 32 residents identified as no longer needing SNF level of care.
