Subject: San Francisco Police Department National Night Out Event Grant Request

On August 6th, 2024, the San Francisco Police Department will be hosting its National Night Out event at each of the ten district stations.

National Night Out enhances the relationship between the San Francisco Police Department and the community we serve while bringing a true sense of togetherness and strengthening ties between law enforcement and citizens. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

The San Francisco Police Foundation granted each station (10 in total) be given \$2000.00 to help them start preparing for this event in August 2024, for a total of \$20,000.00. The funds for this event will allow each station to begin its planning and purchasing of items. In the past such items included food, jump houses, items for children such as glow necklaces, mini footballs, slap bracelets, finger lights, and many more items.

This event goes a long way in building trust and legitimacy with the community, which is one of the six pillars of law enforcement. We are requesting permission from the San Francisco Police Commission to accept these funds.

About.

community partnerships and neighborhood camaraderie.

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories and military bases worldwide on the first Tuesday in August (Texas and select areas celebrate on the first Tuesday in October). Neighborhoods host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more.

1970

Meet Matt. The period before National Night Out.

It begins in the western suburbs of Philadelphia, Pennsylvania. Matt spent several years volunteering for the Lower Merion Community Watch program, who works in cooperation with the Lower Merion Police Department. During his tenure of volunteer work in the township, he often patrolled his neighborhood, assisted in patrol dispatch and shortly thereafter introduced the program's newsletter becoming a representation of the success that took place within the organization and the volunteer work put forth by over one thousand neighbors.

to surrounding communities for assistance. This was the aha moment. Matt noticed hundreds of these local groups existed with no shared platform to connect.

1981

Matt established the National Association of Town Watch.

National Association of Town Watch was founded only a few years later to provide community watch groups the necessary information, resources and assets to stay informed, interested, involved, and motivated within the community. Neighbors and local law enforcement across the nation supported the association as it steadily grew for the next three years.

NATW introduced the National Night Out campaign.

Matt knew something more was needed. National Night Out was introduced in August of 1984 through an already established network of law enforcement agencies, neighborhood watch groups, civic groups, state and regional crime prevention associations and volunteers across the nation. The first annual National Night Out involved 2.5 million neighbors across 400 communities in 23 states.

National Night Out grew to become a celebration beyond just front porch vigils and symbolic efforts amongst neighbors to send a message of neighborhood camaraderie. Neighborhoods across the nation began to host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and more.

The best way to build a safer community is to know your neighbors and your surroundings. National Night Out triumphs over a culture that isolates us from each other and allows us to rediscover our own communities.

Thank you to our neighbors and law enforcement partners across the nation.
