**Disability Access**

The ADA is a civil rights law that protects people with different types of disabilities from discrimination in all aspects of social life. More specifically, Title II of the ADA requires that all programs offered through the state and local government such as the City and County of San Francisco must be accessible and usable to people with disabilities. The ADA and City policy require that people with disabilities have equal access to all City services, activities, and

benefits. People with disabilities must have an equal opportunity to participate in the programs and services offered through the City and County of San Francisco.

If you believe your rights under the ADA are violated, contact the ADA Coordinator.

Ordinance
