Laguna Honda Hospital Executive Team Update

September 10, 2024

Admissions Update

Welcoming back former residents and expanding to new admissions

- Laguna Honda has contacted all former residents who were transferred at the direction of CMS.
- **Since resuming admissions, Laguna Honda has admitted 7 former residents and 1 new admission.**
- We thank all teams involved in admissions planning for making this possible, as well as our unit staff and resident care teams.

Welcoming back a former resident who was transferred when there was a threat of closure.

Admissions Plan

Deliberate and gradual approach to admissions

Priority #1:
Former Laguna Honda residents

Priority #2:
San Franciscans not in medical settings

Priority #3:
Eligible SFHN patients

Priority #4:
San Franciscans receiving SNF and/or rehabilitation
services in other facilities

Priority #5:
Patients at non-SFHN medical facilities

COVID-19 Update

Continued decrease in COVID-19 cases

- Laguna Honda officially ended outbreak status for COVID-19 on August 27, 2024.
- As of September 5, 2024, there are zero units on outbreak status, with 0 active resident case and 6 active staff cases.
- Certain precautions remain in effect given that skilled nursing settings are more vulnerable to respiratory illnesses, including masking facility-wide.
- As of September 5, 68% of residents are up-to-date on their vaccine.

COVID-19 and Flu Vaccines

Vaccine preparations underway

- Laguna Honda is preparing for the arrival of the updated COVID-19 and flu vaccines.
- Teams are coordinating robust resident and staff campaigns to ensure high vaccine rates.
- We anticipate partnering with a local pharmacy to host several vaccine clinics onsite for staff as part of a statewide long term care vaccination program.
- Laguna Honda will again lead resident vaccinations, and we are preparing by collecting consents as we await the arrival of the vaccines.

Certification Update

Update on triple rooms at Laguna Honda

- Laguna Honda is committed to recertifying the 120 beds that we were required to remove based on federal Centers for Medicare and Medicaid (CMS) regulations.
- We continue to make clear to the California Department for Public Health (CDPH) and CMS the need to recertify the 120 beds and in turn, CDPH and CMS have made clear they are prepared to receive and consider a waiver application once Laguna Honda has demonstrated a sustained period of regulatory compliance.
- Laguna Honda will submit the waiver application at the earliest opportunity to ensure success.

Discharge Update

Process to discharge residents with non-SNF level of care

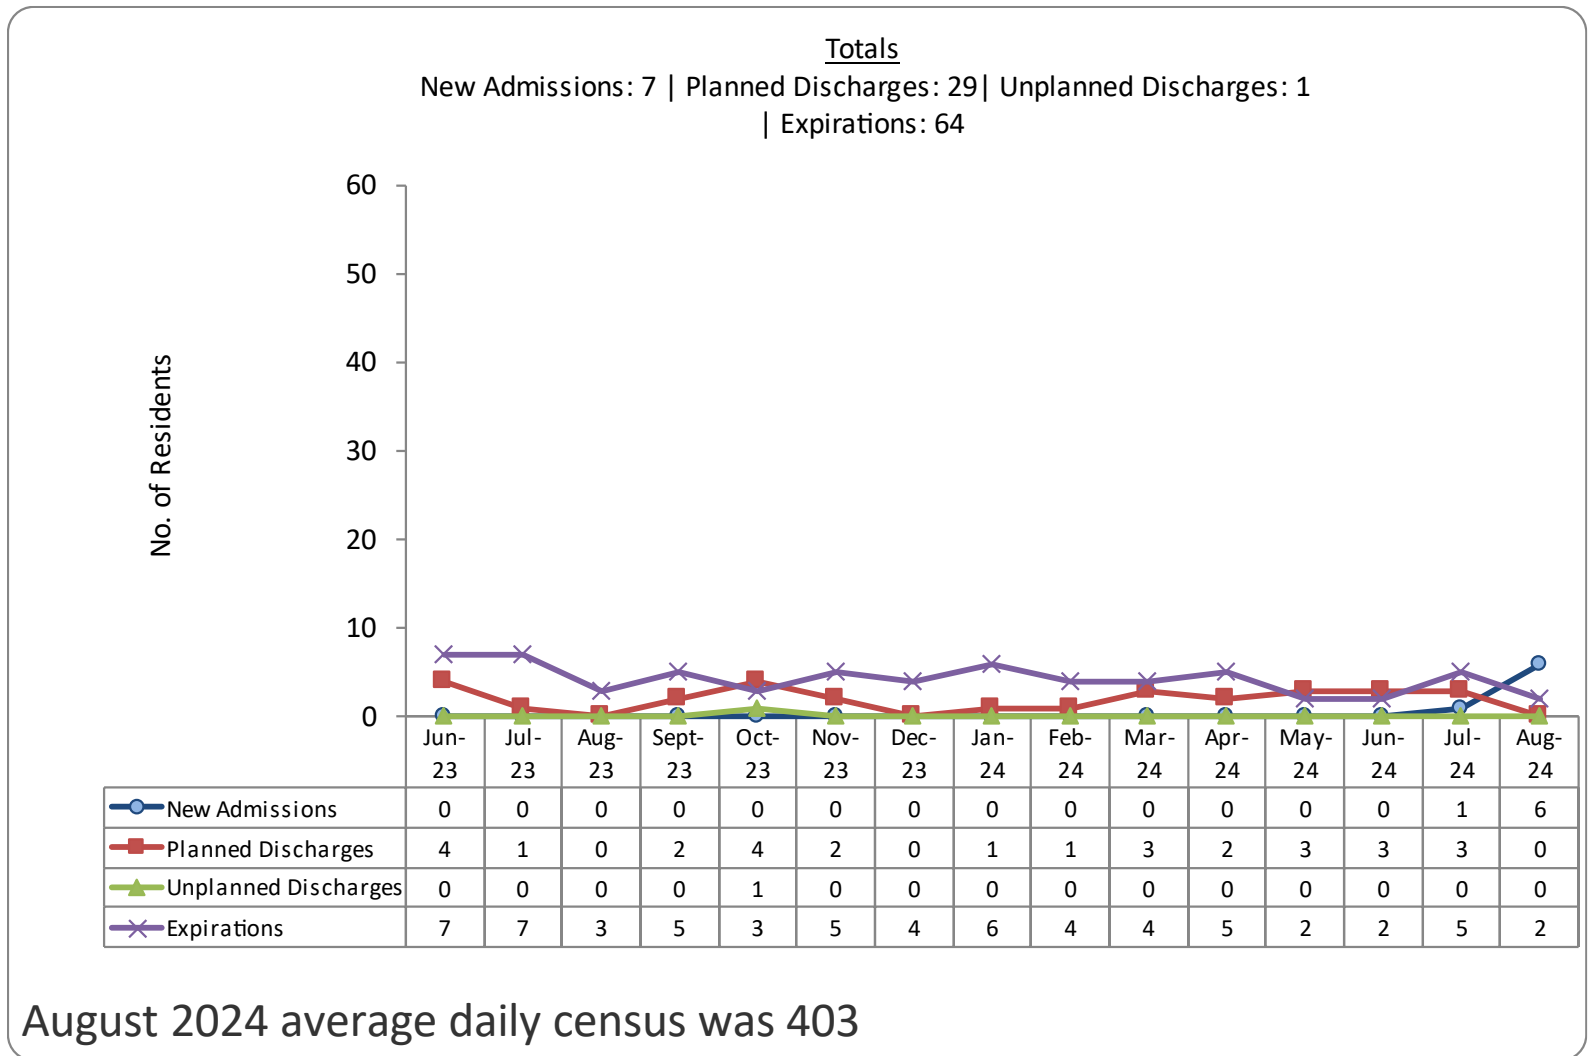

- Laguna Honda is actively working to discharge residents who no longer require skilled nursing facility-level (SNF) care.

State of the Hospital

Admissions, Discharges, and Expirations

Celebrating Laguna Honda Staff and Residents with a Visit from Mayor Breed

Mayor London Breed visited Laguna Honda to celebrate staff for their recertification work, welcome back returning residents, and honor Mrs. Emma for turning 100!
