President Elias and Commissioners:

Re: Q2 2024, Quarterly Report – Department Use of Non-City Entity Cameras Policy approved via Board of Supervisors Ordinance 205-22

Please find enclosed Q2 (April, May, June 2024) data relating to live monitoring requests to non-city entities and subsequent live monitoring operations. Pursuant to BOS Ordinance 205-22, the report also includes crime stat information for a month prior to the reporting period and a month following the reporting period.

Background:

Effective November 6, 2022, BOS Ordinance 205-22 approved SFPD's Use of Non-City Entity Surveillance Camera Policy. The Department issued internal written directives including Bureau Orders for Field Operations, Special Operations, Investigations Bureau and one Unit Order for the Community Engagement Unit. The Department and the Police Commission approved SFPD Form # 619 allowing the Department to document and track all requests for live monitoring operations.

BOS Ordinance 205-22 allows the Department to maintain confidentiality of the non-city entity/individuals to decrease the likelihood that they may face retaliation related to criminal investigations. As such, the ordinance mandates census tract reporting instead of releasing names or addresses of individuals or non-city entities who have approved SFPD requests to access their camera systems.

The enclosed report summarizes the 35 live monitoring requests made to non-city entities that resulted in 31 arrests.

Respectfully submitted,

William Scott
Chief of Police

cc: Board of Supervisors
