Data Dashboards

# Admissions to Juvenile Hall

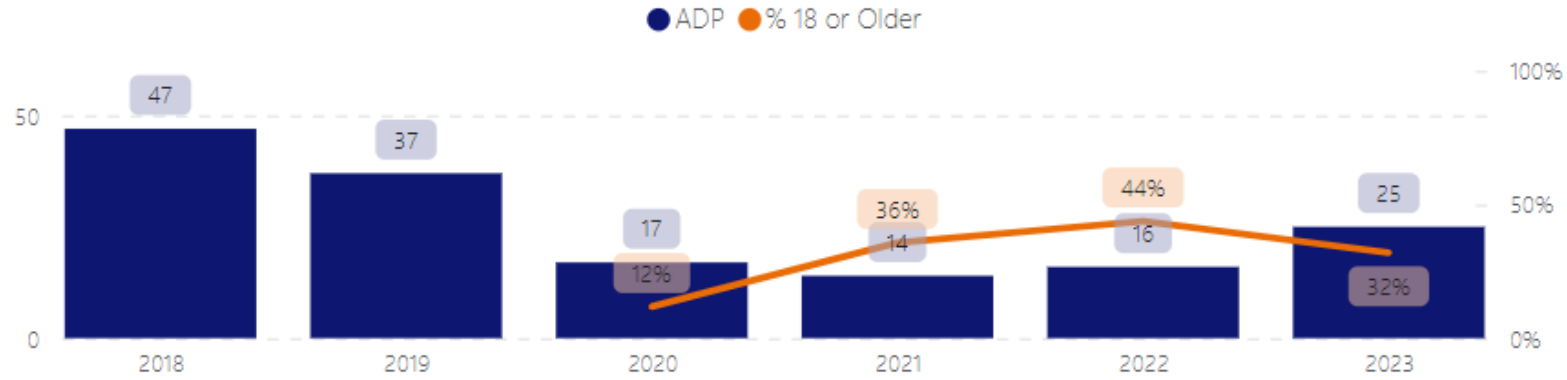

- Since January 2020, there have been an average of 23 admissions per month, 74% of which were mandated by state law.
- In 2023, there 377 admissions:
  - 31 admissions per month on average, 71% of which were mandatory.
  - 40% fewer total admissions than 2019.

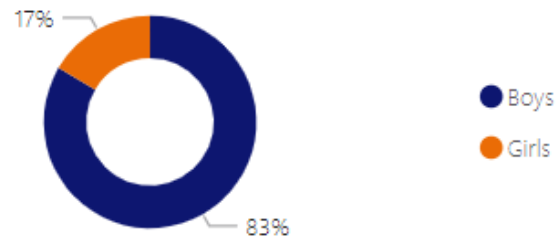

# Average Daily Population (ADP) in the Juvenile Justice Center

- In 2023, the ADP was 25, 47% lower than in 2018, and 32% lower than in 2019.
- Trends of note:
  - 8% were girls in 2023 vs. 13% in 2022
  - 50% were African American in 2023 vs. 69% in 2022
  - 38% were LatinX in 2023 vs. 19% in 2022
  - 28% were Committed in 2023 vs. 31% in 2022.

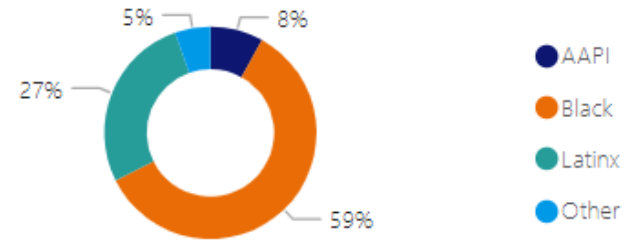

## Average Daily Population in the Juvenile Justice Center

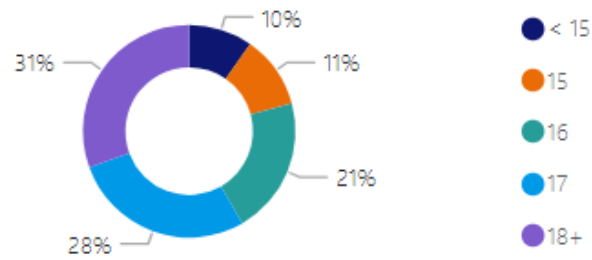

### By Gender

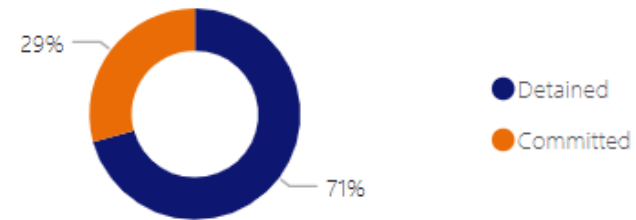

### By Race/Ethnicity

### By Age

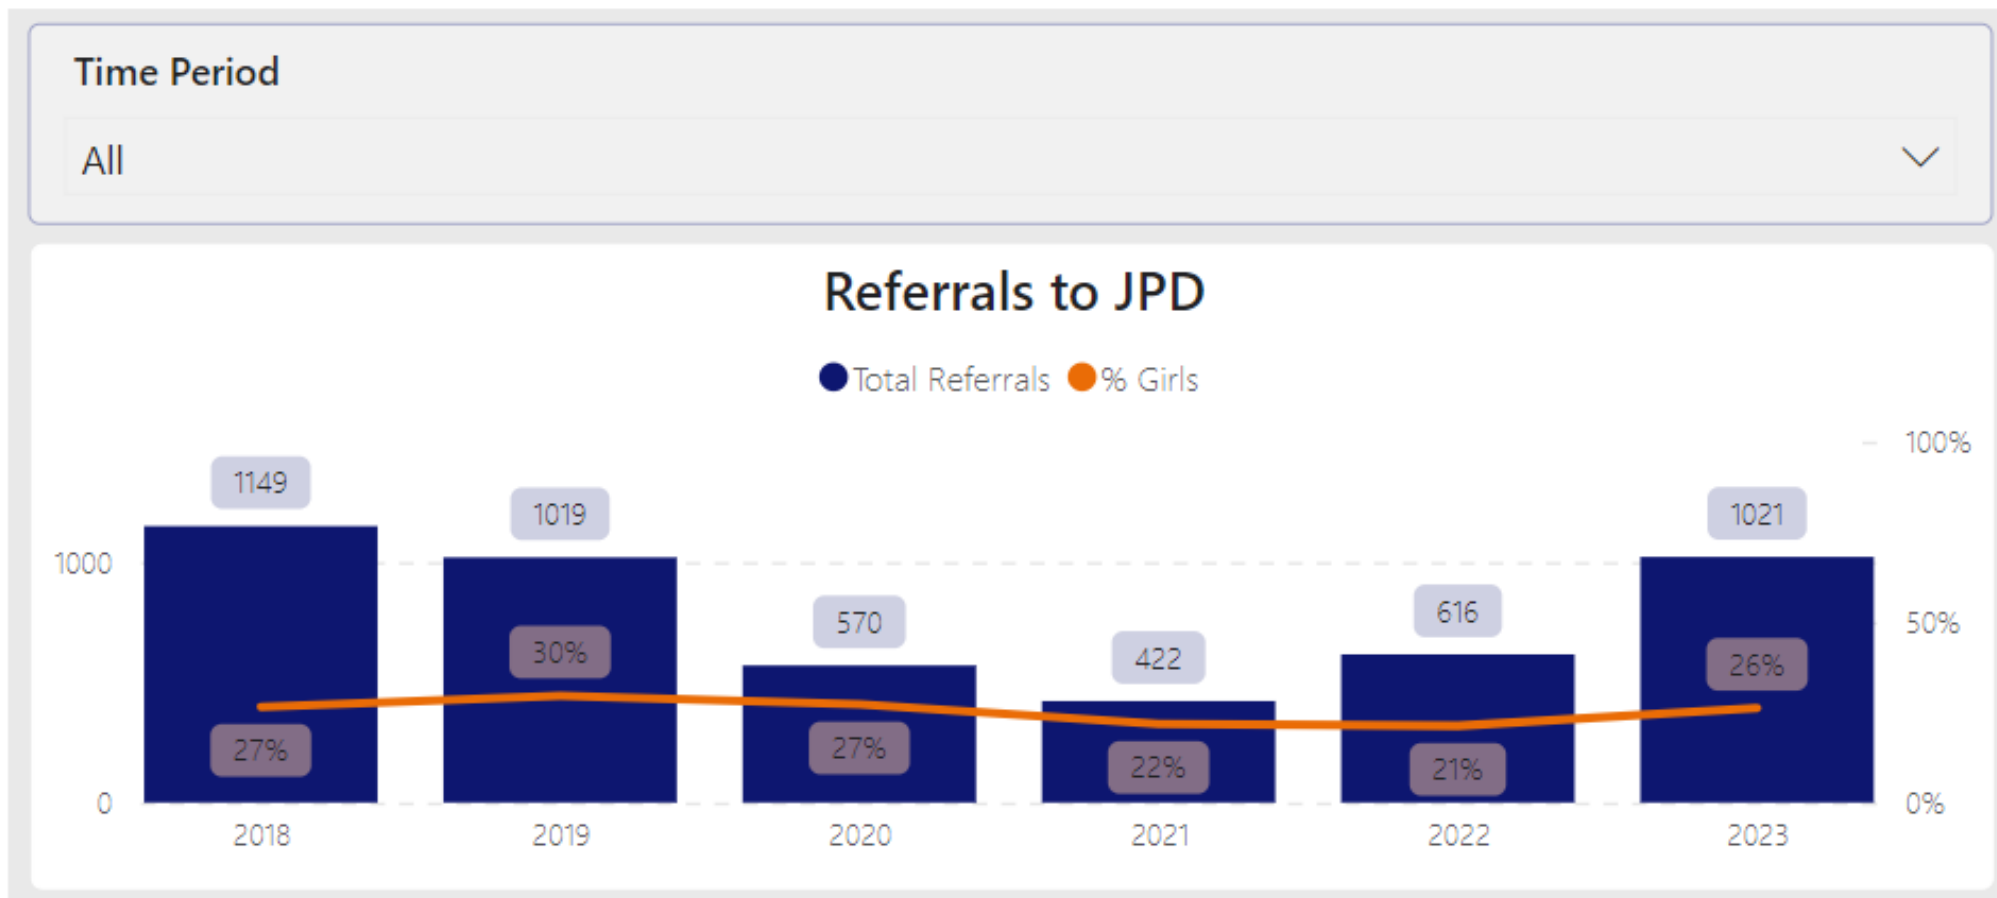

### By Status

# Juvenile Arrests/Referrals

- While bookings are down 40% since 2019, overall juvenile arrests in 2023 returned to pre-pandemic levels.
  - There were almost the exact same number of juvenile arrests in 2019 and 2023.
- Notably, while the percentage of all arrests involving girls has been relatively constant, there has been a large decline in the number of girls housed in the Juvenile Justice Center.
  - In 2019, 24% of ADP was girls vs. 8% in 2023.

# Referrals by Demographics

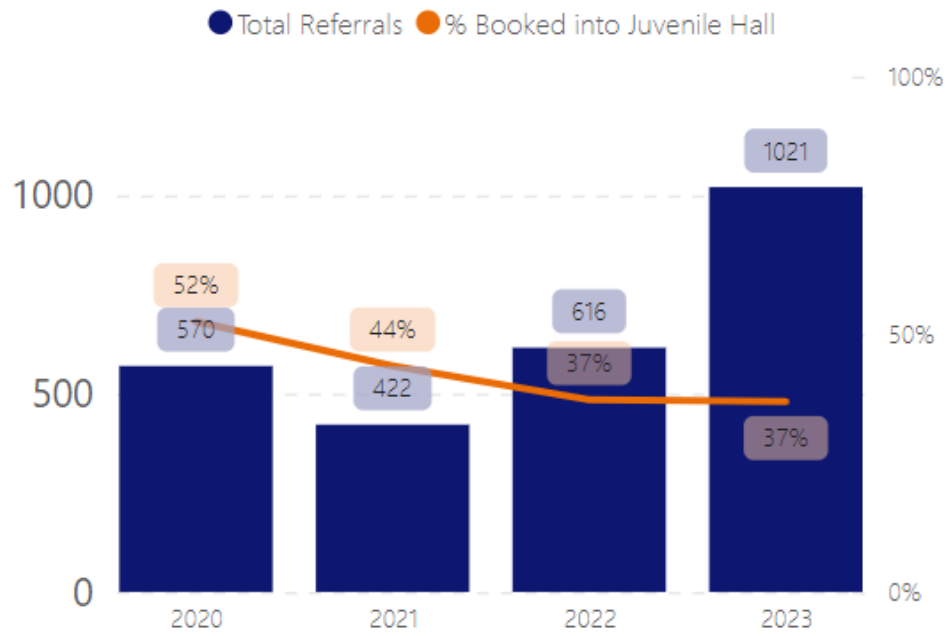

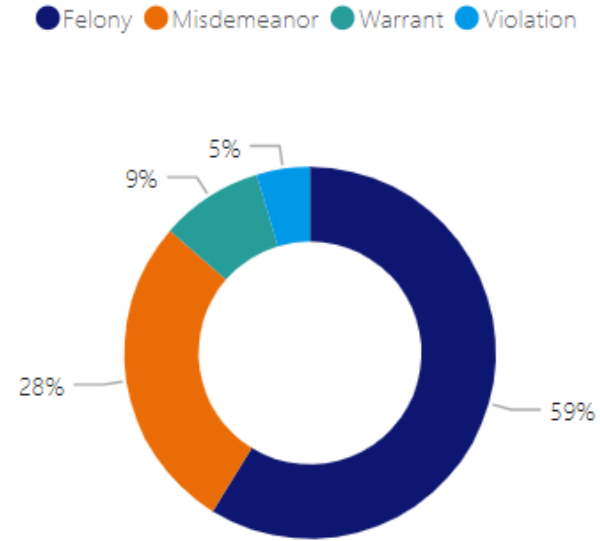

# Juvenile Arrests/Referrals by Offense Type

- Since 2020:
  - 59% of all referrals have been felonies.
  - 21% have been 707(b) offenses.
  - 34% have been offenses involving violence against people (particularly robbery).
- In 2023:
  - 55% of referrals were felonies.
  - 17% were 707(b) offenses.
  - 28% were offenses involving violence against people (particularly robbery).

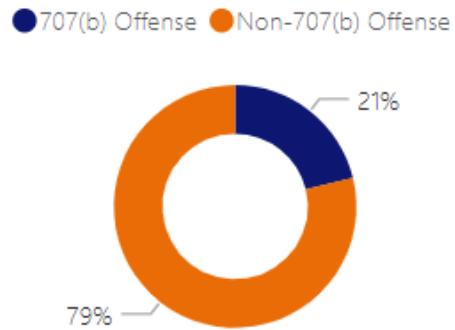

### Referrals to JPD

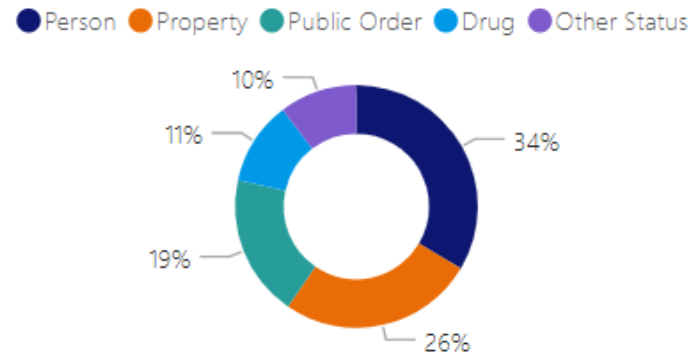

### By Offense Level/Legal Status

### By 707(b) Offense

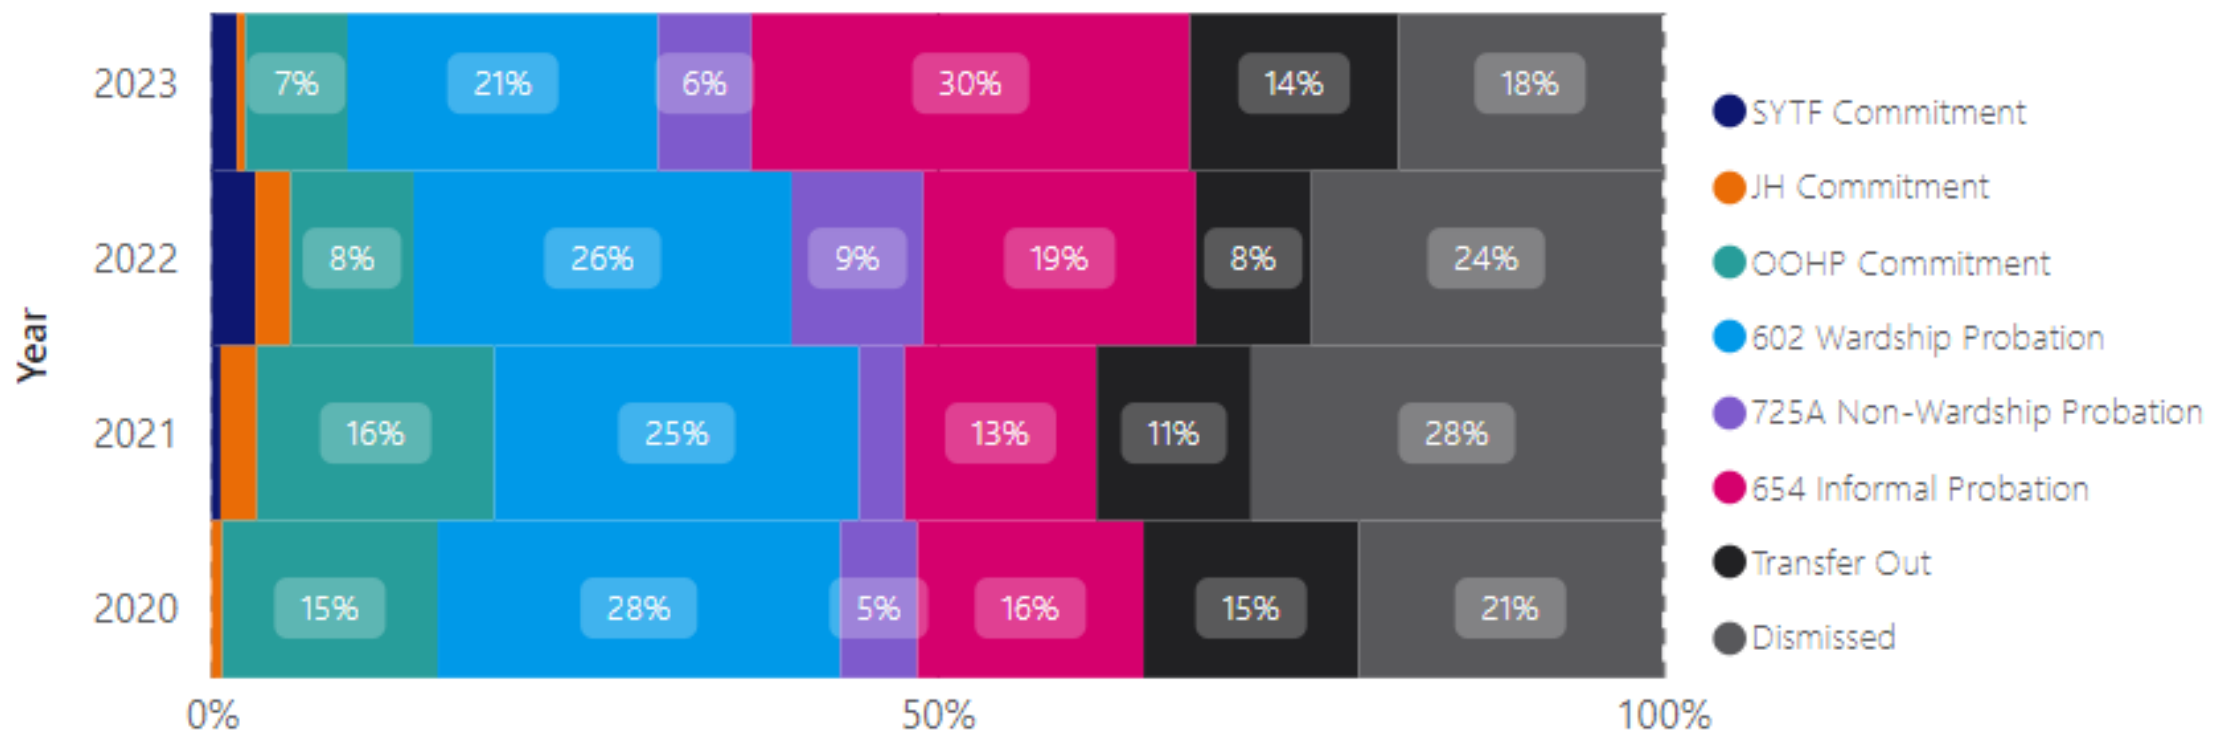

### By Offense Type/Legal Status

# Petition Dispositions

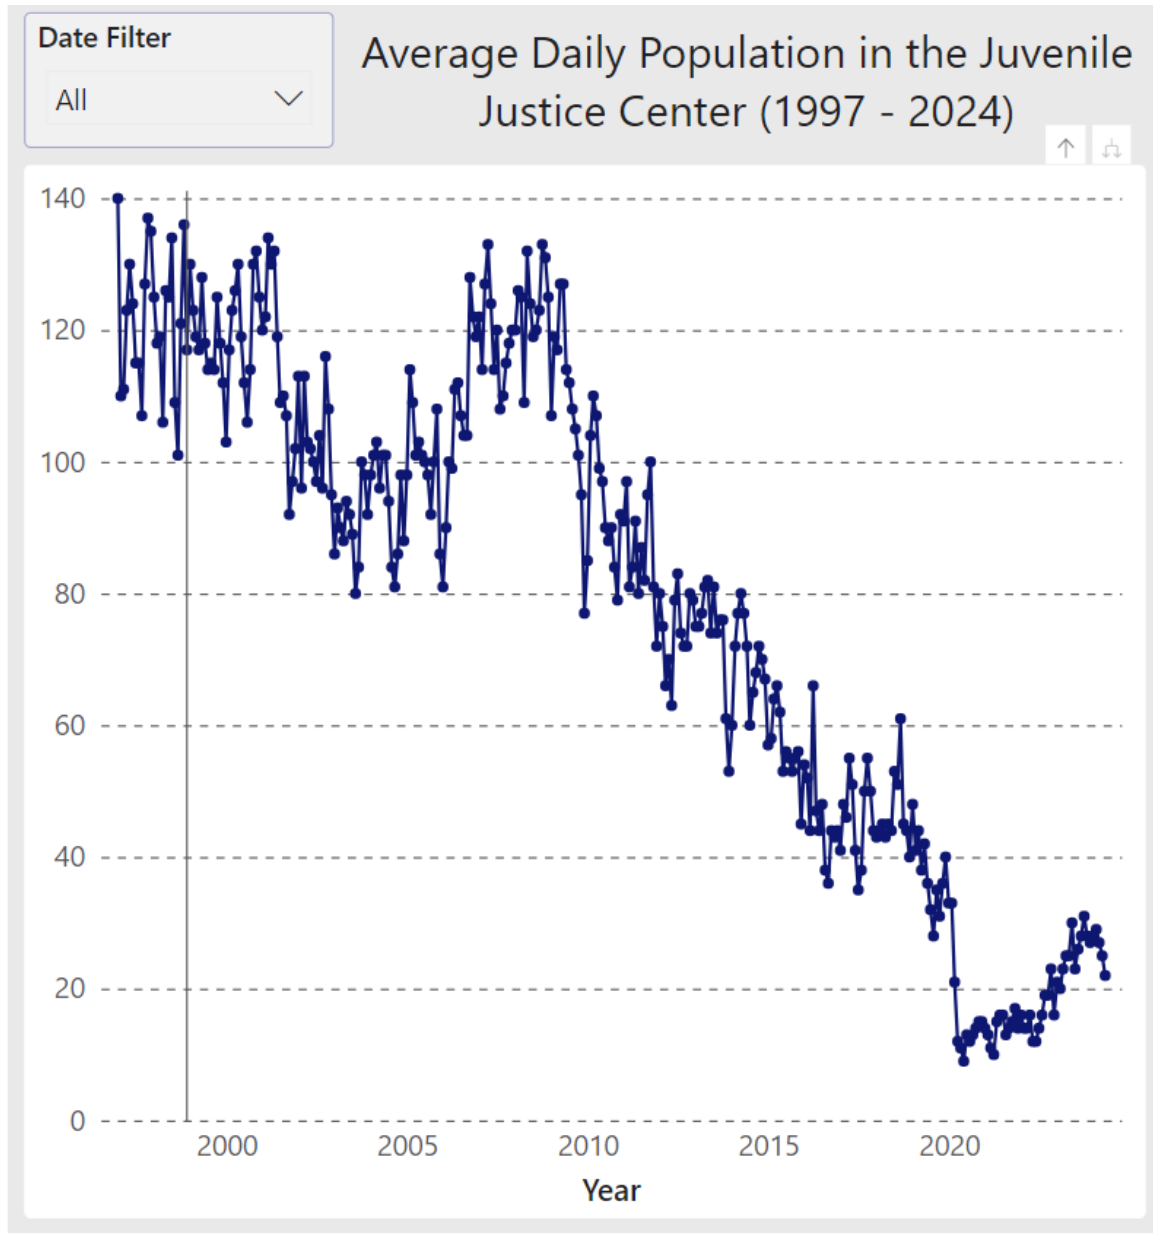

- Some trends of note:
  - Out of Home Placement dispositions have declined from 15% of all dispositions in 2020 to 7% in 2023.
  - 654 Informal Probation dispositions have increased from 16% of all dispositions in 2020 to 30% in 2023.

## Petition Dispositions

# ADP 1997-2024

- In January 1997, there were 140 youth housed in the Juvenile Justice Center.
- In January 2024, there were 28 youth.
