PHD/CHEP Heluna	na Health S	\$ 2,831,797	\$ 2,940,064	\$ 108,267	7/1/2018 - 6/30/2026 (8 years)	7/1/2018 - 6/30/2026 (8 years)	\$ 370,778	\$ 519,153	\$ 148,375	40.02%	Amendment #4

Purpose: The requested action is the approval of a contract amendment with Heluna Health to increase the Total Contract Amount with Contingency to reflect an amount of \$2,940,064. The Contract term will remain the same. This contract provides program administration and support services to the Community Health Equity & Promotion Branch - Refugee Health. From the annual amount of \$519,153, Heluna Health will receive an annual administrative fee of 13% in the amount of \$59,726, with the balance of \$459,427 going towards programmatic costs. The proposed amendment is authorized under RFQ 36-2017. Additional funding will continue to support the Outreach, Education, and Care Coordination modalities.

Reason for Funding Change: The Department is requesting the approval of a Total Contract Amount with Contingency of \$2,940,064, or an increase of \$108,267 due to the following changes: (1) an increase of Cost of Doing Business (CODB) General Funding for FY24/25 thru FY25/26 in the amount of \$12,972, or \$6,486 annually; (2) an increase in Refugee Health Assessment Program (RHAP) Grant Funding for FY24/25 thru FY25/26 in the amount of \$279,392, or \$139,696 annually; (3) an increase in Refugee Health Promotion Program (RHPP) Grant funding for FY24/25 thru FY25/26 in the amount of \$4,386, or \$2,193; and (3) an a reduction in the amount of \$188,483 to the 12% Contingency value applied for FY24/25 thru FY25/26. Previous Contingency Amount was \$313,080 and current Contingency Amount is \$124,597.

	lation

Heluna Health will provide program administration and support services for all ethnicities and populations within San Francisco, with focused expertise on newly arrived refugees, asylees, and others who are eligible for the Refugee Health Assessment Program and Health Promotion Project.

While this is a new contract, it is for continued services that were previously approved at the March 3, 2020 Health Commission under Contract in Humaning Health Proposed Contract and Humaning Health Proposed Contract Amount of \$9,985,453, including a 12% Contingency of \$1,000,000 for the term of 07/01/2024 - 12/31/2026. The prior year annual contract budget is included here for comparison purposes.  Target Population: Adult residents of San Francisco who are often homeless and are high users of multiple systems and those who repeatedly use crisis-level services. Referrals to services primarily originate from Encampm Resolution Team, SPHOT, SFGH Psychiatric Emergency Services, Acute Inpatient Psychiatric Units, Community Mental Health Treatment Programs (Baker Places and Progress Foundation), and Intensive Community Mental Health Treatment Programs (Baker Places and Progress Foundation), and Intensive Community Mental Health Treatment Programs (Baker Places and Progress Foundation), and Intensive Community Mental Health	Selection Type	RFP-26-2016; RFP-8-20	17									
Inc    Purpose: The Requested action is the approval of a retroactive new contract with Baker Places to support the continuation of a Behavioral Health Respite Center at 1156 Valencia Street in San Francisco, called "1156 Valencia Hummingbird Respite" for the period of 07/01/2024 - 12/31/2026 (2 year and 6 months). While this is a new contract, it is for continued services that were previously approved at the March 3, 2020 Health Commission under Contract ID 100000017073. The new contract will allow time for the Department to develop and post a new solicitation for the services. The total proposed contract amount is 59,985,453 which includes a 12% contingency. To Contract Is retroactive because of delays in the determination of contracting authority.    Reason for Funding Change: The Department is requesting the approval of a Total Contract Amount of \$9,985,453, including a 12% Contingency of \$1,000,000 for the term of 07/01/2024 - 12/31/2026. The prior year annual contract budget is included here for comparison purposes.    Target Population:   Adult residents of San Francisco who are often homeless and are high users of multiple systems and those who repeatedly use crisis-level services. Referrals to services primarily originate from Encampm Resolution Team, SFHOT, SFGH Psychiatric Emergency Services, Acute Inpatient Psychiatric Units, Community Mental Health Treatment Programs (Baker Places and Progress Foundation), and Intensive C Management Programs.    Service Description:   The 1156 Valencia Hummingbird Respite program (VHR) reduces Behavioral Health Services (BHS) clients' utilization of crisis and inpatient services. The program provides an integrated, social rehabilitat trauma informed, and harm-reduction model provided by mental health residential counselors, peer counselors, managers, and medical practitioners within a social milieu that support clients in all aspetitive recovery. The program has capacity to serve 30 overnight participants and accept up to 25-day use participants daily.
