The Department of Homelessness and Supportive Housing (HSH) Contracts team requests authorization to amend the existing grant with HomeRise for the provision of 5th & Harrison Transitional Living Program for the period of July 1, 2019 to December 31, 2025 in an additional amount of \$2,420,779. The amendment includes fully funding FY24-25, and extending the term for six additional months of performance. The new amount is \$12,942,074, which includes a 15 percent contingency of \$528,025 on the FY24-25 and FY25-26 amounts.

Background

Created in 2013, 5th & Harrison is a Transitional Living Program for Transitional Aged Youth (TAY) ages 18-24. This program is a part of the housing continuum in that it helps unhoused youth with temporary shelter, while linking them to employment, education, independent living skills, and additional supports that will aid in their transition to permanent housing. This program was put in place to teach youth how to live independently thus helping to decrease homelessness recidivism rates amongst the population. This contract extension allows for continued funding for this program. This Transitional Living Program follows the same regulatory requirements as other shelter programs.

The provider has dealt with staff turnover in the last two years, leading to underspending in the salary budget.

HomeRise reports actively working to fill open positions in the coming months as vacancies have increased. Though the program has interviewed for open positions, they cited having issues finding qualified candidates. The agency has an in-house recruiter who looks for candidates both internally and through online job sites, in addition to participating in local job fairs. They have recently hired a Program Director to help facilitate the hiring process. The program states that they plan to have all vacancies filled before the end of the calendar year. HSH is also working with HomeRise to systematically evaluate and revise its budgets (particularly personnel) across programs and ensure that budgets include a staffing structure that directly aligns with program needs.

Services to be Provided

The purpose of the grant is to provide Transitional Housing and Support Services to TAY. Grantee will provide services to 44 individuals (including 43 in transitional housing, and one legacy tenant who is permanently housed) with a budgeted staff of 12.36 full time equivalent (FTE).

In FY23-24 this program served 51 individuals. This includes 44 SRO style units for individual TAY. The agreement includes 1.40 FTE Janitorial Staff and 1.0 FTE Maintenance Supervisor. Property Management services includes 1.0 FTE Site Manager, 3.50 FTE Front Desk Clerks, and 1.0 FTE Senior Desk Clerk. Support Services includes 1.0 FTE Senior CM, 1.0 Case Manager, and 0.10 Clinical Case Manager. Support services are optional but highly encouraged. Outside of intake and assessment, support services also provide individualized housing focused service plans, employment assistance, transitional housing stability support and life skills training.

⁶ The funding sources listed reflect current and future years.

Amended Grant Agreement Approval: Community Housing Partnership dba HomeRise | 5th and Harrison Transitional Living Program

The amendment standardizes the scope with the amount of time a participant can stay in the program (24 months) and the maximum age limit for participants in the program (25). The addition aligns this program with the age and length of stay requirements that are held by all other TAY Transitional Living Programs under the Temporary Shelter System.

Selection

Grantee was selected through Request for Proposals (RFP) #113, which is valid until June 30, 2029.

Performance History

HomeRise underwent fiscal monitoring most recently in FY23-24. The Final Status Letter for the monitoring included the following findings:

- Subcontractors not authorized by contract.
- Subcontracts not paid per the established schedule in the subcontracting agreement.
- Cost allocation plan does not show consistent and reasonable process for shared program costs.
- Fiscal policies and procedures not reviewed within a year of executive director and/or fiscal manager positions turning over.
- Fiscal policies and procedures missing required topics.
- Unclear whether fiscal policies and procedure implementation demonstrated appropriate internal controls (given that the policies were incomplete).
- No documentation that the procurement / selection of subcontractors followed fiscal policies and procedures.
- No documentation that HomeRise monitored subcontractors for fiscal and programmatic compliance.
- Subcontracts missing required elements (e.g., executed with signatures, current, clear scopes of work).

As a result of fiscal monitoring findings in FY21-22 and FY22-23, the City had placed HomeRise on Elevated Concern status. In April 2024, the City completed an audit of agreements and operations between HomeRise and City funding departments. The audit findings indicated ongoing noncompliance across City grants and agreements attributed to missing key financial controls, inadequate management oversight, and inadequate property finance practices. As of April 2024, and as a result of these audit findings, HomeRise has been escalated from Elevated Concern to Red Flag status. The City Controller and the departments that fund HomeRise developed a comprehensive corrective action plan for HomeRise to address the audit findings and return to compliance.

HSH staff have a biweekly working meeting with HomeRise staff to address all items in the Red Flag Action Plan. This working meeting includes HSH Housing Team members responsible for program and contract compliance and oversight, and HomeRise operations and executive staff. In addition, HSH staff meet biweekly with the HomeRise Executive Team, the Controller's Office, and the Mayor's Office of Housing and Community Development (MOHCD) to review the status of the Red Flag Action Plan items. This cross-departmental work has resulted in a new Financial Policies Manual, Draft Shared Cost Allocation procedures, and an updated/formal approval process for transferring funds between properties. This collaborative work among multiple City Departments and the HomeRise Executive Team will continue until all findings are formally closed out. Through this short-term extension of this

Amended Grant Agreement Approval: Community Housing Partnership dba HomeRise | 5th and Harrison Transitional Living Program

contract, services to residents can continue uninterrupted while HomeRise actively works to come into compliance with the City.

5th & Harrison's Transitional Living Program underwent program monitoring most recently in FY23-24. There were five findings in total and one recommendation. Findings were related to a lack of client service plans and case management notes, and the program's data quality issues with enrollments and exits in the Homeless Management Information System (ONE System). Other findings include poor room turnover time, and vacant rooms. HSH also recommended that the program work collaboratively with the HSH Program Manager to develop a wellness check policy.
