Grant Amendment Approval: Compass Family Services | Urgent Accommodation Vouchers Program for Families and Pregnant People

The Department of Homelessness and Supportive Housing (HSH) Contracts team requests authorization to amend the existing grant with Compass Family Services (Compass) for the provision of the Urgent Accommodation Vouchers Program for Families and Pregnant People (UAV) for the period of February 1, 2023 to June 30, 2026, in an additional amount of \$9,745,421. The addition of funds includes 18 additional performance months, a \$600,605 carryforward of unspent funds allocated for additional vouchers from FY23-24, and \$75,000 to support a DPH Work order for the Black Infant Health Initiative. The new NTE amount is \$17,801,570, which includes a 20 percent contingency of \$1,949,084 on the FY24-25 and FY25-26 Amended to Add amounts.

Background

The Compass UAV Program for Families and Pregnant Persons provides emergency short-term hotel stays, and supportive services to families and pregnant persons experiencing homelessness and includes linkages to existing programs such as Coordinated Entry, harm reduction services, public program benefits, health services, and behavioral health. The UAV Program utilizes a low-barrier model that creates a safety net for households to quickly access an adequate and safe place to stay for a limited time. As part of the Mayor's Safer Families Plan, the Compass UAV program is adding additional vouchers that will serve to expand shelter capacity.

Services to be Provided

The purpose of the grant is to provide UAV to families, including pregnant persons with or without a partner. Compass shall provide services to 130 families at any given time with a budgeted staff of 14.2 annual full time equivalent (FTE). At least 80 voucher slots will be used to augment the City's family shelter system and used for longer-term stays in alignment with other family shelter time limits. In FY23-24, this program served 228 families with a high level of afterhours and immediate shelter placement.

The amendment does not change the number of families served, emergency meals, or amount of financial assistance for laundry service; however, it does increase the total number of budgeted staff to 14.20 FTE. Fiscal year 24-25 reflects a prorated amount of 9.03 FTE to account for savings as Compass hires new staff. The FY25-26 budget reflects the annualized 14.20 FTE at which point all staff will have been hired.

Selection

Grantee was selected pursuant to San Francisco Administrative Code Section 21B, which authorizes the Department to enter into, or amend, contracts without adhering to the Administrative Code provisions regarding competitive bidding related to Projects Addressing Homelessness. Compass Family Services was selected through a streamlined selection process (Solicitation of Information (SOI) Urgent Accommodation Voucher Program that enabled HSH to evaluate proposed program models and program budgets from nonprofit service providers.

Performance History

Compass Family Services UAV underwent citywide nonprofit fiscal monitoring most recently in FY22-23 and there were no unresolved findings. As a result of their good standing, Compass Family Services was granted a waiver for FY 23-24.

Compass Family Services UAV underwent program monitoring most recently in FY22-23 and has a scheduled FY 23-24 program monitoring on November 7, 2024. During their FY22-23 program monitoring, the program was in conformance with no findings. Since the inception of the UAV program,
