The Art Vendor Advisory Committee will only screen two crafts per meeting. If you want to screen for additional crafts, you will need to complete a new application after you have been approved for two. How many crafts are you applying for? Example: Beaded jewelry and watercolor paintings on canvas are two crafts; ceramic pendants and ceramic bowls are one craft (Ceramic items)

**I am applying for only one craft**

Please list your one craft item to be screened:

**Grid Kit cardboard kits**

Are you a current art vendor adding an additional craft?

**Yes**

A family unit is two (2) or more persons jointly engaged in the creation of an art or craft item. Is this an application for a Family Unit?

**No**

Artist Biography (Please provide a short biography about yourself and your craft)

**My name is Jutiki Gunter. This is my application to return to the program. I teach children how to build and program robots. My application here is to restore my participation in the vendor program. My participation was paused because of the virus and it is a pleasure to be able to return.**

1. Describe the items you plan to sell and how each type of item is made. Please be as detailed as possible Example I plan to sell digital photographic prints of artwork that I designed in Illustrator and printed on cardstock using a home printer.

**The items I make is the Grid Kit which are cardboard kits. It includes many models that can be made.**

2. Where did you learn your craft? Did you take a class or learn on your own?

**When I teach robotics I show the students how to make their own models using cardboard. The Grid Kit was made to show them how to begin making their own models.**

Please provide up to two (2) images of your craft in process The images should include you demonstrating your process See an example here

**jutiki\_lizard\_image.jpg**

Please provide up to two (2) images of your finalized craft. The images should show examples of what you plan to sell See an example here

**9Q3B9825.jpg**

Please provide an image of your workspace that includes the equipment and materials used in your craft. See an example here.

equipment.JPEG

Additionally, artists may upload a video (up to five minutes) of their process. See an example video here.

No answer given

4. Is your craft considered an American Indian or Alaskan Native style, traditional or contemporary, arts and crafts? Do you identify as a member of the community that practices this cultural tradition? Are you compliant with The Indian Arts and Crafts Act of 1990?

N/A

5. What makes your work different from other artists and craftspeople making similar items?

**We design and make our own designs. Use of cardboard and cardboard kits is something that we began doing before others.**

(Optional) Please provide an artist CV or Résumé

No answer given

(Optional) Please provide any Letters of Recommendation from other markets or studios you may have

No answer given

6. What artist or business name are you operating under?

**Jutiki Gunter and The Grid Kit**

7. Do you have a website, Etsy, Instagram or any other publicly accessible online store or social media account?

**Yes**

If Yes, please provide links to your public sites:

**<https://thegridkit.com>**

(Optional) Please upload your logo or signage

No answer given

(Optional) Please upload your image of display

No answer given

8. Does your artwork comply with all federal, state, and local laws and ordinance, including, if necessary, lawful authority to use logos or other images protected by Copyright or Trademark laws?

**Yes**

9. Are you using any sports or company logos such as SF Giants or other recognizable branding that is not your own?

**No**

---

10. How are you ensuring customers can tell a difference between your work and commercial or mass produced items?

**We are the only ones selling and making the Grid Kit items.**

---

11. What steps have you taken to ensure that you are not violating any copyright or other laws?

**We own our own copyright.**

---

12. Please upload recent receipts for any tools and materials. Receipts must be for the same tools and materials used to create the items in the work samples you provide. Receipts must show that the materials were shipped to you/your address. See an example [here](#). Optionally, you can upload images of your workspace. The image of your workspace must include the equipment and materials used in your craft.

**receipt.JPG**

---

13. If you are unable to provide a copy of your receipt, please provide the reason you are unable to do so.

*No answer given*

---

14. Describe the safety procedures you use in your craft. What, if any, safety equipment do you use? How do you store and handle any toxic or hazardous material?

**The cardboard we use is 100% recyclable.**

I confirm that the information within this application is true and correct.
