Meeting Notice Ballot Simplification Committee for the November 7, 2006 Consolidated General Election *REVISED Agenda for Week of July 31-August 4, 2006*

The Ballot Simplification Committee prepares an impartial summary of each local ballot measure. These digests are included in San Francisco's Voter Information Pamphlet, which is mailed to each registered voter in advance of each election. The Committee must complete its digests no later than 85 days before the election. For the November 7, 2006 election, this deadline falls on Monday, August 14. In general, the digests are limited to 300 words.

The Committee's procedures can be summarized as follows. First, the Committee develops a draft digest of each ballot measure. Once the Committee members agree on a draft, they invite public comment on the proposed digest. Each speaker is asked to observe a three-minute time limit. After all public comment is received, the Committee decides whether to revise the digest based on the comments. The Committee does not consider political arguments about the proposed measures. After all proposed revisions are considered, the Committee votes to adopt a final digest. At least three BSC members must vote in favor of a digest before it becomes final.

Any person may submit a written Request for Reconsideration of a digest to the Department of Elections. Guidelines and applicable deadlines for Requests for Reconsideration are available at each Committee meeting or from the Department of Elections.
