

October 29 - November 2, 2007 (Addendum)

Meeting Notice

Ballot Simplification Committee

for the February 5, 2008 Consolidated Presidential Primary Election

Addendum #1 to Agenda for the Week of October 29-November 2, 2007

The Ballot Simplification Committee prepares an impartial summary of each local ballot measure. These digests are included in San Francisco's Voter Information Pamphlet, which is mailed to each registered voter prior to each election. The Committee must complete its digests no later than 85 days before the election. For the February 5, 2008 election, this deadline falls on Monday, November 12, 2007. In general, the digests are limited to 300 words.

The Committee's procedures can be summarized as follows. First, the Deputy City Attorney assigned to the Ballot Simplification Committee prepares a preliminary draft digest of each proposition. The Committee then edits and amends that draft. Once the Committee members agree on a draft, they invite public comment on the proposed digest. Each speaker is asked to observe a three-minute time limit. After all public comment is received, the Committee decides whether to revise the digest based on the comments. The Committee does not consider political arguments about the proposed measures. After all proposed revisions are considered, the Committee votes to adopt a final digest. At least three Committee members must vote in favor of a digest before it becomes final.

Any person may submit a written Request for Reconsideration of a digest to the Department of Elections. Requests for Reconsideration must be submitted within 24 hours of adoption of the digest. Guidelines for Requests for Reconsideration are available at each Committee meeting or from the Department of Elections.
