- Wed-Fri: 8am - 8pm
- Sat-Sun: 9am - 5pm

# B R I D G E S

6M Bridges Clinic is a safe and welcoming clinic. We are dedicated to the health of children and families who have recently arrived in San Francisco, from any part of the world.

6M Bridges Clinic

## WELCOME TO THE BRIDGES CLINIC!

Bridges Clinic

*Transitioning to a new place and culture can be challenging. 6M Bridges offers support services to help you feel at home in San Francisco, and to promote your family's health and well-being.*

### WE OFFER

#### 1. Primary & Adolescent Care Services including:

- Physical exam and vaccines (required for school)
- Dental care and specialty care referrals
- Lab tests (including TB screening)
- Spanish and Mandarin speaking staff, with phone interpreters available for many other languages

#### 2. Team of Family Navigators to support access to mental health, legal and other community resources for your family.

**Need to register for Medical?** Call (415)863-9892

**Need more support applying for insurance? Call Jose Murillo (Eligibility worker)** 628-206-8389

*To assign ZSFG Children's Health Center as your medical home through SF Health Plan, please use code "21402"*

### TEAM

**Bridges Clinic** is part of the Children's Health Center (6M) at SF General Hospital, and offers outstanding medical, psychological and community support with the help of our physician and family health navigator team.
