

Get Vaccinated, SF

COVID-19 Vaccine Sites

San Francisco is now vaccinating everyone ages 12 and older.

Anyone who lives or works in San Francisco is eligible for the COVID-19 vaccine.

- Vaccines are free to people who live or work in San Francisco.
- You do not need insurance to book an appointment.
- Documentation (like an ID or SSN) is not required.
- Receiving the COVID-19 vaccine does not make you a public charge and will not prevent you from getting a Green Card (Lawful Permanent Resident) or becoming a naturalized citizen.

Book online

Book an appointment online at sf.gov/GetVaccinated.

You will need the following:

- Name
- Date of birth
- Address
- Insurance (if you have it)

Book by phone

Call the City hotline at **628-652-2700** for help with booking options if you have limited internet access, need assistance, or cannot travel to a vaccination site because of a disability.

Phones are answered 8:30am–5pm, Monday–Friday. Callers can leave a message on weekends.

Getting vaccinated will help keep you, your family, and your community safe and healthy.

It will help us return to more activities.

It will stop the spread of COVID-19 and end the pandemic.

Where to get the vaccine

See the other side of this flyer for a list of vaccination sites. You may also be able to schedule your vaccination through your healthcare provider or at a pharmacy.
