

Details on Transporting to an Alternate Destination After 10.31.2023

Question: I completed the TAD Training (course, passed quiz, completed evaluation, and received my certificate), but I haven't received my TAD Accreditation Card? Can I still transport patients to Alternate Destinations?

Answer: As long as your TAD Accreditation is showing up in the CA Emergency Medical Services Personnel Registry, you can transport to an Alternate Destination. If it isn't, you have to wait. The website to check the status is: <https://emsverification.emsa.ca.gov/Verification/Search.aspx> . Here are the steps:

1. Go to <https://emsverification.emsa.ca.gov/Verification/Search.aspx>
2. Type in your License Number (aka "P" number or State Number)
3. Click "search" (see screenshot 1 of 2 pasted below)
4. Click on your name
5. The window that opens will show all current accreditations (see screenshot 2 of 2 pasted below)
6. TAD must be listed in order for them to be able to transport to an Alternate Destination on or after 11.1.2023

As a reminder, all Paramedics must submit the TAD Accreditation Application after completing the training. As a reminder, the processing time for TAD Accreditation Applications is 15 business days.
