

# Filming Survey for \_\_\_\_\_

This survey is distributed at the request of Film SF, the Mayor’s Office of Film, which permits film and media productions on city-owned property in San Francisco. Please note, this survey is not a request for permission to film. It is an information-gathering tool which Film SF will use to gauge concerns.

DISTRIBUTION ON: \_\_\_\_/\_\_\_\_/\_\_\_\_

Dear Resident/Business Representative,

\_\_\_\_\_ is planning to film scenes for \_\_\_\_\_ on \_\_\_\_\_ from \_\_\_\_\_ at \_\_\_\_\_. If there is rain or inclement weather, residents will be notified of rescheduled filming date(s).

In order to film between the hours of 10PM and 7AM, we are required by Film SF to survey nearby residents who may be affected by the filming activities, acknowledging they have been notified.

We have applied for the necessary permissions from the City (Film SF) and maintain all legally required liability insurance. This production will be adhering to social distancing, face covering and sanitation guidelines required by the City’s Order of the Health Officer. You will receive a film notice closer to the filming days that will have similar information.

Kindly email, call or text your response to the contact information provided at the bottom of this document by \_\_\_\_\_. We appreciate your hospitality and cooperation while we are filming in your neighborhood.

Sincerely,

\_\_\_\_\_
