Ballot Proposition

This ordinance authorizes the following ballot proposition to be placed on the June 8, 2010 ballot:

SAN FRANCISCO EARTHQUAKE SAFETY AND EMERGENCY RESPONSE BOND, 2010. To improve fire, earthquake and emergency response and ensure firefighters a reliable water supply for fires and disasters, through projects including: improving deteriorating pipes, hydrants, reservoirs, water cisterns and pumps built after the 1906 earthquake; improving neighborhood fire stations; replacing the seismically-unsafe emergency command center with an earthquake-safe building; and to pay related costs, shall the City and County of San Francisco issue \$412,300,000 in general obligation bonds, subject to citizen oversight and regular audits?

The ordinance fixes the maximum rate of interest on the Bonds, and provides for a levy and a collection of taxes to repay both the principal and interest on the Bonds. The ordinance also describes the manner in which the Bond Special Election will be held, and the ordinance provides for compliance with applicable state and local laws.
