The Committee must complete its digests no later than 85 days before the election, which is Monday, March 14, 2022.

About the Ballot Simplification Committee

The Ballot Simplification Committee works in public meetings to prepare a fair and impartial summary of each local ballot measure in simple language. These summaries, or "digests," are printed in San Francisco's Voter Information Pamphlet, which is mailed to every registered voter before the election.

Each digest must explain the primary purposes and points of the measure, but is not required to include auxiliary or subsidiary information. Each digest must include the following four sections:

- *The Way It Is Now*
- *The Proposal*
- *A "Yes" Vote Means*
- *A "No" Vote Means*

In general, each digest is limited to 300 words. Digests may exceed the 300-word limit if the Committee determines that the complexity or scope of the proposed measure requires a longer digest. In addition, digests must be written as close as possible to the eighth-grade reading level.

The Ballot Simplification Committee also assists the Department of Elections in preparing other informational material for the Voter Information Pamphlet, such as a glossary of terms that appear in the pamphlet.
