

**NOTICE OF INTENTION TO CIRCULATE RECALL PETITION**

TO THE HONORABLE CHESA BOUDIN: Pursuant to Section 11020 of the California Elections Code and Section 14.103 of the San Francisco Charter, the undersigned registered qualified voters of the City and County of San Francisco, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of District Attorney, in San Francisco, California, and to request that the Mayor appoint a person to fill the vacancy created by the recall. The grounds for the recall are as follows:

We all agree that we need real criminal justice reform and police accountability now.

Chesa Boudin isn't delivering on either priority – and since he took office, burglaries, car break-ins, homicides and overdose-related deaths are at a crisis level.

Boudin is not keeping San Francisco safe. He refuses to adequately prosecute criminals and fails to take the drug dealing crisis seriously. He doesn't hold serial offenders accountable, getting them released from custody, and his response to victims is that "hopefully" home burglaries will go down.

Boudin said he wouldn't prosecute "victimless" DUI offenses, and he failed to charge a repeat offender who then killed two pedestrians on New Year's Eve while driving intoxicated in a stolen car.

Boudin has the wrong priorities. He promised to take sexual assault cases seriously. Instead Boudin asked sexual assault survivors about making amends with their own attackers.

Boudin hasn't even kept his word on reforms. Three people died in interactions with police, and Boudin failed to prosecute any officers involved.

Recalling someone shouldn't be taken lightly, but San Francisco can't wait two more years to improve public safety and fix our criminal justice system.

Chesa Boudin must go -- now.
