RE: File 080645 - Charter amendment to prohibit City employees from serving as members of Charter boards and commissions

Dear Ms. Calvillo,

Should the proposed charter amendment be approved by the voters, in my opinion, it would have a minimal impact on the cost of government.

The proposal would prohibit City employees from serving as members of most Charter boards and commissions. City staff from the appointing or confirming authority, such as the Mayor's Office or the Board of Supervisors, would need to verify the employment status of candidates for board and commission seats prior to making nominations. The proposed prohibition would impact approximately 20 boards and commissions.

Sincerely,
