

Meeting Notice

Ballot Simplification Committee for the November 5, 2013, Municipal Election

Revised Agenda for Week of August 5-9, 2013

The Ballot Simplification Committee works in public meetings to prepare a fair and impartial summary of each local ballot measure in simple language. These summaries, or "digests," are printed in San Francisco's Voter Information Pamphlet, which is mailed to every registered voter before the election. The Committee must complete its digests no later than 85 days before the election. In general, the digests are limited to 300 words.

Due to scheduling constraints, the Committee may consider one or more measures before the final deadline for submitting or withdrawing those measures. If a measure has not yet been submitted to the Department of Elections at the time the agenda is published, it is designated on the agenda as "pending submission." If a measure is withdrawn before the Committee meets to consider that measure, the measure will be taken off the Committee's agenda.

If time constraints prevent the Committee from fully considering any of the items listed for a meeting, that meeting will be continued to a date and time announced at the end of the meeting.

For more information about the Ballot Simplification Committee, please visit sfelections.org/bsc or the Department of Elections office in City Hall, Room 48.
