RE: Request for reconsideration of approved digest – Retiree health benefits for former
Redevelopment Agency and Successor Agency employees

Dear Ms. Carr;

After the Ballot Simplification Committee approved the July 29th digest for this measure the City Attorney alerted me to an error that should be corrected. The suggested correction is detailed below. I appreciate the time and attention the Committee spent yesterday on this digest, however, it is essential that the digest accurately reflect the content of the measure.

The Proposal (last paragraph)

“For employees who started working for the Redevelopment Agency ~~on or after~~ between January 10, 2009, and August 31, 2010, and later started working for the City between February 1, 2012 and February 28, 2015, without a break in service, Proposition ___ would credit the employees’ years working for the former Redevelopment Agency and the Successor Agency toward the 20-year vesting period for retiree health care benefits.

Thank you for your consideration of this re-hearing request.

Sincerely,
