

The Way It Is Now:

The soccer fields adjacent to the Beach Chalet at the Great Highway in Golden Gate Park are sodded with natural grass.

The City has approved a plan to replace that grass with artificial turf. That plan would also add field lighting there to allow for nighttime use.

Crossover Drive begins on the north side of Golden Gate Park at 25th Avenue and ends on the south side of the Park at 19th Avenue.

The Proposal:

Proposition [] is an initiative measure that would require the City to maintain all athletic fields in Golden Gate Park west of Crossover Drive as natural grass. It would also prohibit nighttime sports field lighting in these areas.

A "YES" Vote Means: If you vote "yes," you want to require the City to maintain all athletic fields in Golden Gate Park west of Crossover Drive as natural grass and prohibit nighttime sports field lighting in these areas.

A "NO" Vote Means: If you vote "no," you want to allow the City to use artificial turf and nighttime sports field lighting at the Beach Chalet soccer fields in Golden Gate Park.
