Re: Request for reconsideration for the Neighborhood Crime Unit ballot measure

Dear Ms. Carr,

After reviewing the digest for the Neighborhood Crime Unit ballot measure, I am submitting the following request for reconsideration in the following two locations:

1. The Proposal

(Second paragraph, first line)

The Unit would be responsible for preventing and investigating crimes that affect neighborhood safety and quality of life, **by using neighborhood foot patrols, among other tactics.**

Comments: Requiring neighborhood foot patrols is an explicit requirement in the measure and to the proposed Neighborhood Crime Unit, and it's critical for voter information that this language be included in the ballot digest.

2. A "Yes" Vote Means

If you vote "yes," you want to require the City to create a Neighborhood Crime Unit **to prevent and investigate crimes that affect neighborhood safety and quality of life** once the City has at least 1,971 full-duty uniformed officers.

Comments: As worded, it's unclear what a Yes vote means. Instead, by adding language from the measure describing the unit, the voter will better understand what a "Yes" vote means.

Thank you for your consideration of these changes and for your service.

Sincerely,
