Deadline to Request Reconsideration: 5 p.m. on Wednesday, August 1

The Way It Is Now: The City has laws that provide some privacy protections in the collection, storage, sharing or use of personal information by the City and its contractors. The City does not have a comprehensive policy regarding the protection of personal information.

The Proposal: Proposition ____ is a Charter amendment that would adopt guidelines for City agencies and officials when they consider proposed laws, regulations, policies and practices protecting privacy.

Proposition ____ would require the City Administrator, by May 29, 2019, to propose an ordinance to the Board of Supervisors addressing the collection, storage, sharing and use of personal information. The ordinance must contain rules for:

- The City;
- Third parties who hold contracts or leases with the City;
- Third parties who have permits, grants or licenses from the City.

The policy would apply to the collection, storage, sharing and use of any individual's personal information.

A "YES" Vote Means: If you vote "yes," you want to amend the City Charter to include privacy guidelines and require the City Administrator to propose privacy rules to the Board of Supervisors.

A "NO" Vote Means: If you vote "no," you do not want to make these changes.
