Re: Request for Reconsideration for City Elections in Even-Numbered Years

Dear Chair Packard and Members of the Ballot Simplification Committee:

Thank you for your work on the digest for this measure, and for your thoughtful deliberation in the Ballot Simplification Committee hearing yesterday. I write to request a reconsideration to include a minor change to add clarity to the proposed digest.

In the second paragraph of "The Proposal," I request that you include the following addition: "If this proposal is approved, there would be no regularly scheduled 2023 election, and the terms of the mayor, sheriff, district attorney, city attorney and treasurer would be extended by one year., ~~and t~~he next election for these offices would be in November 2024."

We believe it is important to clarify that the one-year extension of the current terms is a result of the elimination of the regularly-scheduled 2023 election.

I appreciate your time and consideration.

Sincerely,

A handwritten signature in blue ink that reads "Dean Preston".
