

I hereby request reconsideration of the Approved Digest for this ballot measure. I have included the text adopted by the Committee with my alternate language as tracked changes. I recommend these changes to increase accuracy and clarity. Thanks. DP

The Way It Is Now: The City has closed certain public streets to private motor vehicles, in response to the COVID-19 pandemic, and kept those ~~reserving the~~ streets as open space for recreational purposes. These closures were enacted ~~in response to the COVID-19 pandemic~~.

~~The~~ ~~In April 2022, the~~ Board of Supervisors (Board) and the Mayor approved ~~adopted~~ the Golden Gate Park Access and Safety Program in May 2022 (Ordinance), which ~~that~~ closed portions of John F. Kennedy Drive (JFK Drive) and certain other connector streets in Golden Gate Park seven days a week to private motor vehicles. These street closures do not apply to emergency vehicles, official government vehicles, park intra-park transit shuttle buses and similar vehicles ~~authorized to transport people~~, and vehicles making deliveries to the de Young Museum.

The Great Highway is closed to motor vehicles, with limited exceptions, from noon Fridays to 6 a.m. Mondays and on holidays. The City is planning ~~intends~~ to remove the Great Highway between Sloat Boulevard and Skyline Boulevard to protect City [facilities or infrastructure] from damage caused by sea level rise, and traffic. ~~The City~~ would be redirected ~~redirect vehicle traffic~~ along Skyline, Sunset and Sloat Boulevards.

The Proposal: Proposition _ is an ordinance that would restrict the City's ability to limit private vehicle use of JFK Drive and certain other connector streets in Golden Gate Park and the Great Highway.

Proposition _ would repeal the ~~May Board's April 2022~~ Ordinance and require the City to allow private motor vehicles to use JFK Drive and certain other connector streets in Golden Gate Park at all times except from 6 a.m. to 6 p.m. on Sundays and legal holidays, as well as on Saturdays from in April to ~~through~~ September.

Proposition _ would require the City to allow motor vehicle use in both directions at all times on the Great Highway and would not allow the City to remove the Great Highway between Sloat and Skyline Boulevards as planned.

Under Proposition _, ~~for~~ both the Great Highway and JFK Drive, along with the other affected streets in Golden Gate Park, the City could temporarily limit access to these streets in response ~~roads to respond~~ to emergencies, for street repairs and for community events.

~~If~~ Proposition _ would allow ~~passes~~, the Board and the Mayor to change its provisions ~~may later amend this ordinance~~ by a two-thirds vote, only if the changes ~~amendments~~ are either consistent with the measure's purposes of Proposition _ or required by a court.

If Proposition _ passes with more votes than Proposition [four-supes measure], then provisions of Proposition _ would take effect instead of Proposition [four-supes measure] ~~would have no legal effect~~.

A "YES" Vote Means: If you vote "yes," you want to require the City to allow private motor vehicle use ~~vehicles~~ on JFK Drive and certain other connector streets in Golden Gate Park at all times except from 6 a.m. to 6 p.m. on Sundays and legal holidays, as well as on Saturdays from in April to ~~through~~

September. You also want to require the City to allow motor vehicle use in both directions at all times on the Great Highway and not allow the City to remove the Great Highway between Sloat and Skyline Boulevards as planned.

A "NO" Vote Means: If you vote "no," you do not want to make these changes.
