

South Van Ness Adult Behavioral Health Services is seeking second year MFT and MSW interns for our HIV and Gender Programs, for the 2022-2023 school year!

Are you passionate about serving queer and Transgender community members and people living with HIV? Our clinic offers interns the opportunity to learn skills in providing therapy, case management, assessment and diagnosis, crisis intervention, group facilitation, and gender affirming surgical assessments.

For more info and to apply, contact:
