

# 3 steps to help seniors get vaccinated

**San Franciscans ages 65 and older are eligible to get the COVID-19 vaccine.**

**Vaccines are free** to people who live or work in San Francisco.

**You do not need insurance** to book an appointment.

## 1 Find a list of vaccine sites at [sf.gov/GetVaccinated](https://sf.gov/GetVaccinated)

*If you have limited internet access, call the state hotline at **(833) 422-4255** for help with booking at some sites.*

In addition to larger vaccine sites, there are many neighborhood locations which may change depending on need. All changes to vaccine sites are updated on the website so check back frequently.

Check each vaccine site to see if there are appointments available.

Supply is limited, and you may not be able to book an appointment right away. Keep checking back.

## 2 Book an appointment

Book an appointment online at [sf.gov/GetVaccinated](https://sf.gov/GetVaccinated)

If you are assisting someone to book an appointment you will need their information:

- Name
- Date of birth
- Address
- Insurance (only if they have it)

## 3 Check transportation options and accessibility for the vaccine site before you go

Muni and Paratransit are free for anyone traveling to and from COVID-19 vaccine appointments. SFMTA is also providing additional access to taxi service for those using the Essential Trip Card.

- Visit [sfmta.com/COVID#MuniService](https://sfmta.com/COVID#MuniService) for details.
- Visit [sfmta.com/Paratransit](https://sfmta.com/Paratransit) to learn more about Paratransit and the Essential Trip Card.

Most walk-thru sites have drop-off zones and are fully wheelchair accessible.

- If wheelchair assistance is needed, just ask on-site staff and a wheelchair will be brought out to you.
- Site ambassadors will gladly direct you once on site.
