

# People eligible for the vaccine now are:

## As of April 1, 2021:

- **Healthcare workers**
- **People 50 years and older**
- **Education and childcare workers**
- **Emergency services workers**
- **Food and agriculture workers**
- **People living or working in congregate living settings** (homeless shelters, correctional facilities, or other treatment facilities)
- **People experiencing homelessness**
- **Janitors and public transit workers**
- **People with certain health conditions or disabilities**
  - Cancer
  - Chronic kidney disease
  - Severe chronic pulmonary disease, including COPD and those who are oxygen dependent
  - Down syndrome
  - Immune compromise from blood, bone marrow, or solid organ transplant; immune deficiencies; HIV; use of corticosteroids; or use of other immune weakening medicines
  - Pregnancy
  - Sickle cell disease
  - Heart conditions, such as heart failure, coronary artery disease, or cardiomyopathies (excludes hypertension)
  - Obesity (BMI greater than 30)
  - Diabetes

**COST:** Vaccines are **free** to people who live and work in San Francisco.

**INSURANCE:** You do **not** need insurance to book an appointment.

## How do I prove I'm eligible?

You may bring documentation if you have it. However, self-attestation is the only requirement.

## If I'm eligible, how do I sign up to get a vaccine?

Visit [sf.gov/GetVaccinated](https://sf.gov/GetVaccinated) to learn where to sign up for an appointment and other options for receiving the vaccine.

Even if you are eligible, there may not be a dose available right now. If you are eligible, check back regularly for appointments.

**Getting vaccinated will help keep you, your family, and your community safe and healthy.**
