Housing information

Evictions

If you can't pay your rent during the pandemic, you may be protected from eviction and get more time to pay your rent. However, your rent is not cancelled. You still owe your landlord any missed rent payments.

If you need help paying rent, you can apply for Season of Sharing funds at sf.gov/get-help-pay-housing-or-other-emergencies.

This site also provides links to other organizations that can help with housing.

See more information on [SF.gov/eviction-moratorium](https://sf.gov/eviction-moratorium).

Financial and Work-Related Help

If you have to isolate or quarantine, you can use Paid Sick Leave or State of California unemployment benefits. Apply for unemployment at edd.ca.gov. During the pandemic, you do not need to have a letter from your healthcare provider to use Paid Sick Leave.

According to the CDC and SF Department of Public Health recommendations, your employer should NOT request a doctor's letter or a negative test to return to work if you had COVID-19. If they request either of these, you can direct them to www.sfcdcp.org/workletter.

For other local resources for workers impacted by COVID-19, visit oewd.org/employees-impacted-covid-19.
