Update to FAMSF Ticket Distribution Policy
Lauren Curry, Deputy City Attorney, presented an update to the FAMSF ticket distribution policy (see Appendix III):

- The updates align FAMSF’s ticket distribution policy with state law concerning gifts and tickets or passes provided by an agency. [Fair Political Practices Commission (“FPPC”) Regulation 18944.1 (2 CCR § 18944.1)].

- Generally, a ticket that a City officer or employee receives from a City department – even to an event held on City property – is a gift unless a specific exception applies.

- Public Purpose Exception – Under the public purpose exception, a ticket or pass distributed to an official by their agency is not a gift if certain criteria are met. One of these criteria is that the agency must have a ticket distribution policy, and that policy must contain certain requirements.

- FAMSF’s updated policy consolidates and streamlines the list of public purposes for which FAMSF can distribute tickets.

- FAMSF’s updated policy adds the requirement for a written report when a ticket is provided to a City official for the oversight or inspection of City facilities.

- The ticket distribution policy must prohibit the transfer of any ticket received by an official except to the official’s immediate family member or no more than one guest solely for their attendance at the event.
  - FAMSF’s updated policy: 1) defines “immediate family member” as a spouse/partner or dependent children; 2) adds that the ticket can be transferred to a guest; and 3) adds the requirement that the official must accompany the family member/guest to the event.

- The policy must have a provision prohibiting the disproportionate distribution of tickets to certain individuals such as officers, political appointees, and the department head.
  - FAMSF’s updated policy adds language prohibiting the disproportionate use of tickets or passes by Trustees, members of the Board of Supervisors, City commissioners, City department heads, or the City Administrator.

- FAMSF’s updated policy clarifies its reporting requirements under the Fair Political Practices Commission’s regulations.

On motion, duly seconded, the Board approved the updated Ticket Distribution Policy. There was no discussion among the Trustees, and there was no public comment.
