

SF CJHWG LISTENING SESSION QUESTIONS - YOUTH

Objectives for our Listening Sessions:

-Gain feedback from youth and parents about their personal experiences with San Francisco's juvenile justice system.

- Understanding what programs, services and provisions that serve jj youth or support parents worked or didn't work.
- Collecting information on what system involved youth and parents of system involved youth believe should replace JJC.

Disclaimer to LS participants: You don't have to share information about your particular situation or case.
