

MD-App Applicant FAQs

1) How do I login into MD-App?

You should of received an email with a link to create your password. If not, contact the facility you are applying to and they will resend the email.

2) How do I upload scanned documents or files?

When logged into MD-App / Edit Application there is a section called Files or Upload Files (or similar) on the navigation bar (left hand side). Click on that and you can begin to upload files.

3) How do I submit my application?

After you enter and upload the proper information there will be a formal submission button on bottom of the application - click that to complete the submission process.

4) Why can't I submit my application/Submit button won't click?

Confirm all fields have been filled in, including all attestation questions, look for red items in the menu on the left, etc.
