6M Bridges Clinic is a safe and welcoming clinic. We are dedicated to the health of children and families who have recently arrived in San Francisco, from any part of the world.

6M Bridges Clinic

If you are a refugee or have been granted asylum or victims of trafficking certification, please contact the Newcomer Health Program at 628-206-8608.

How do I refer a patient to Bridges Clinic?
SF Health Network Providers: submit a eConsult via EPI (search 'Bridges'). SFUSD and community partners: submit online at https://bit.ly/3BkwT0u or email CHCbridges@ucsf.edu.

For more information, please contact Children's Health Center at 628-206-8376, which is also a 24hr Nurse Advice Line. San Francisco General Hospital, 1001 Potrero Ave, SF 94110.

6M Urgent Care (drop-in) hours:
- Mon: 8am - 8pm
- Tues: 9am - 8pm
- Wed-Fri: 8am - 8pm
- Sat-Sun: 9am - 5pm
Bridges Clinic is part of the Children's Health Center (6M) at SF General Hospital, and offers outstanding medical, psychological and community support with the help of our physician and family health navigator team.
