SUBJECT: Appealing the Rejection of Application for the 1822 Administrative Analyst

(CBT-1822-E00003) Recruitment

BACKGROUND

The Department of Human Resources (DHR) published the job ad for the CBT 1822 Administrative Analyst (E00003) recruitment on July 25, 2022 (see Attachment A). This recruitment is being conducted under the authority of the 48th Supplement to the Emergency Declaration from Mayor London Breed (see Attachment B) and Civil Service rule 111.17. The job ad initially specified the following minimum qualifications:

"A Category 18 exempt appointment in Class 1822 Administrative Analyst with the City and County of San Francisco with a minimum of one year of service by December 15, 2022."

The job ad was revised on August 24, 2022 to clarify the minimum qualifications and currently reads as follows:

"A minimum of one year as a Category 18 exempt appointee in Class 1822 by December 15, 2022. Must be a current exempt employee with the City and County of San Francisco with no break in service."

Appellant Brian Rogers applied to this recruitment on September 2, 2022. Mr. Roger's application was rejected on September 16, 2022 (see Attachment C), and he appealed that rejection on August 27, 2022 (see Attachment D). Mr. Rogers cited several issues in his appeal to the CSC including:

- The hiring system is difficult and confusing
- His application should be automatically transferred to a traditional recruitment so that he would not have to reapply
- Over 25 years of experience, education, and skills should qualify
- CCSF should seek a diverse workforce

Issue

Should Mr. Rogers be allowed to participate in the CBT 1822 Administrative Analyst (E00003) recruitment without meeting the MQs as stated in the job ad?

Authority/Standards

Sec. 110.2 Examination Announcements

The examination announcement shall be the official notice of an examination and shall provide the qualifications, dates, and other particulars regarding the selection procedure. Applicants must be guided solely by the terms of the examination announcement.

Sec. 110.4 Appeals of Examination Announcements

Appeals concerning the provisions of an examination announcement must be received by the Human Resources Director within five (5) business days from the issuance date. The Human Resources Director shall rule on all appeals and shall notify appellants in writing of the decision. This decision is subject to appeal to the Commission as provided elsewhere in these Rules.

Sec. 110.9 Qualifications of Applicants

110.9.1 Every applicant for an examination must possess and maintain the qualifications required by law and by the examination announcement for the examination. Experience gained in violation of Commission Rules shall not be recognized. City and County employees shall receive credit only for the duties of the class to which appointed or assigned unless sufficient and credible documentation is provided to verify performance of other duties. Employees may receive credit for duties not usually performed by incumbents in a class if their employee file contains contemporaneous documentation that the duties were assigned and performed. By way of example but not limitation, records that describe and verify the out-of-class assignment that may be accepted as documentation include a valid performance appraisal completed during the normal evaluation period, payroll records filed at the time of the assignment and Notice of Assignment. Credit for duties not usually performed by incumbents in a class based on non-contemporaneous documentation shall require the certification of the Appointing Officer and the approval of the Human Resources Director.

Sec. 110.11 Promotional Applicants

Applicants for promotive only or combined promotive and entrance examinations shall meet the requirements of the examination announcement under which they apply. If otherwise qualified, civil service employees with permanent, probationary, temporary civil service, or holdover status and who have had six (6) months of verifiable satisfactory experience in any class in any status (including provisional) qualify promotionally.

Sec. 111.17 Authorization for Exempt to Permanent Status Program

Pursuant to the Forty-Eighth Supplement to the Mayoral Emergency Declaration, the Human Resources Director is authorized to establish programs giving exempt employees the opportunity to transition to permanent status. The exempt employee must have successfully served in an exempt status for a minimum of one (1) year. In establishing the program, the Human Resources Director shall consider, among other factors, active holdover rosters where qualified eligibles exist and availability of positions, budgetary restrictions, equal employment opportunity and Office of Racial Equity goals.

The specific procedures and qualifications established shall be listed in the examination announcement for the classifications involved. Eligibles processed in this manner will be placed on an eligible list. This rule shall only apply to Exempt Category 18: Special Projects and Professional Services. The certification rule for all eligible lists established under this program shall be Rule of the List. Determination of the appropriate eligible list from which to make appointments if there is an active eligible list in the job classification is at the discretion of the Human Resources Director subject to criteria submitted to and approved by the Civil Service Commission.

The appeal to the Civil Service Commission whose decision shall be final. In view of the urgency and time limitations, an expedited report and hearing process utilizing special meetings of the Commission where a quorum is present may be considered.

The Human Resources Director shall submit monthly reports to the Civil Service Commission on the progress of the temporary program.

Inquiries and complaints on this program submitted to the Civil Service Commission office under its Charter authorizes Inspection Services and shall continue to be investigated and resolved. Consistent with the provisions of the Forty-Eighth Supplement to the Mayoral Emergency Declaration, this Rule shall expire December 15, 2022, unless terminated earlier by the Mayor or the Board of Supervisors.

Findings

The CBT 1822 Administrative Analyst (E00003) job ad was posted in accordance with CSC rules 110.2. CSC Rule 110.9 states that "every applicant for an examination must possess and maintain the qualifications required by law and by the examination announcement for the examination." The MQs for this recruitment require that the applicant must be a current exempt employee with the City and County of San Francisco.

Analysis

The intent of this program as authorized through the 48th supplement and CSC rule 111.17 is to provide a path to a permanent appointment for current exempt employees. Mr. Rogers is not an exempt appointee with the City and County of San Francisco. This disqualifies him from this recruitment as he does not meet the MQs stated in the job ad.

Mr. Rogers contention that the hiring system is difficult, and confusing is unfortunately a matter of perspective. He is trying to enter a class that is tested using Position-Based-Testing meaning that he is likely responding to numerous job ads across many departments and functions. We appreciate how confusing that can be, especially if he has been qualified for other 1822 recruitments and suddenly is rejected for this recruitment. Although Mr. Rogers is not sure the job ad specified current CCSF employment as a requirement, the attached copy of the job ad shows that it was and is a requirement.

Mr. Rogers stated that his application should be automatically transferred to a recruitment for which he qualifies rather than him having to re-apply. Although that functionality is not available in our applicant tracking system [ATS], a feature that is available is "Browse

resume" which enables the applicant to have information pulled automatically from the resume into the appropriate fields in the application. This feature makes filing an application easier versus our old ATS wherein each application had to be manually completed.

Twenty-five years of experience, education and skills are positive factors that will likely be heavily considered if and when Mr. Rogers gets an interview.

The City and County of San Francisco is acutely focused on a diverse workforce. Mr. Rogers just happened to apply for a specific recruitment wherein the goal was just retention of temporary employees.

Conclusion

Mr. Rogers does not meet the MQs specified in the job ad and should not be allowed to participate in this CBT 1822 Administrative Analyst (E00003) recruitment.

WHEREAS, On February 25, 2020, the Mayor issued a Proclamation (the "Proclamation") declaring a local emergency to exist in connection with the imminent spread within the City of a novel (new) coronavirus ("COVID-19"); and

WHEREAS, On March 3, 2020, the Board of Supervisors concurred in the Proclamation and in the actions taken by the Mayor to meet the emergency; and

WHEREAS, On March 4, 2020, Governor Gavin Newsom proclaimed a state of emergency to exist within the State due to the threat posed by COVID-19; and

WHEREAS, On March 6, 2020, the Health Officer declared a local health emergency under Section 101080 of the California Health and Safety Code, and the Board of Supervisors concurred in that declaration on March 10, 2020; and

WHEREAS, During the COVID-19 pandemic, the City closed its civil service examination testing center, and was unable to conduct civil service examinations for more than seven months, causing a significant backlog in the City's ability to hire new employees in permanent positions; and

WHEREAS, The City has more than 3,000 funded, vacant positions as a result of COVID-induced delays in hiring; and

LONDON N. BREED MAYOR

WHEREAS, Charter Section 10.104 allows the City to hire employees temporarily in specified positions that are not subject to the Charter's permanent civil service appointment and removal procedures. These positions and appointments are often called "exempt." Charter Section 10.104(18) allows departments to hire exempt employees for special projects and professional services for a period of no more than three years. These appointments are often referred to as "Category 18 positions"; and

WHEREAS, A number of City departments have hired exempt employees in Category 18 positions to address critical City needs responding to the COVID-19 pandemic, and many of those employees have done extraordinary work to help the City and its residents recover from the pandemic, establishing in many cases that they are well qualified to be hired to permanent civil service positions; and

WHEREAS, Due to the pandemic, the City has been unable to schedule and conduct sufficient civil service exams to fill these critical positions in a permanent capacity, and it is in the City's interest to stabilize the City's workforce at this time; and

WHEREAS, In the Seventh and Thirty-First Supplemental Proclamations, the Mayor waived provisions of local law to allow City employees to accrue up to 80 hours of vacation over the applicable vacation cap because many City employees were unable to use vacation balances due to the demands of their duties related to the emergency. Section 3 of the Thirty-Seventh Supplement authorized employees to continue to carry vacation balances over the cap until June 30, 2022 to provide additional time for employees to reduce their vacation balances;

NOW, THEREFORE,

I, London N. Breed, Mayor of the City and County of San Francisco, proclaim that there continues to exist an emergency within the City and County threatening the lives, property or welfare of the City and County and its citizens;

In addition to the measures outlined in the Proclamation and in the Supplements to the Proclamation issued on various dates, it is further ordered that:

(1) The Human Resources Director, in consultation with the Executive Director of the Civil Service Commission, is authorized to temporarily modify Civil Service Rules to establish streamlined competitive examination processes for employees who have served

Office of the Mayor SAN FRANCISCO

for at least one year in an exempt status under Charter Section 10.104(18) (special projects and professional services).

On the date the Human Resources Director submits these temporary modifications to the Civil Service Commission, the Human Resources Director shall simultaneously submit to the Commission proposals for permanent rule modifications regarding the same matters. The Human Resources Director shall provide written notice of the rule modifications to all employee organizations representing City employees who may be impacted by the temporary rule modifications. The temporary rule modifications shall take effect five days after submission by the Human Resources Director to the Civil Service Commission, regardless of whether the Commission has considered or approved the modifications. Each temporary rule modification will be effective until the earliest of: (a) the date the Civil Service Commission approves the proposed permanent rule modifications, either as proposed by the Human Resources Director or as amended by the Commission, (b) the date the Civil Service Commission disapproves the Human Resources Director's proposed permanent rule modifications, or (c) December 15, 2022. Any eligible list adopted through the process above will have a duration of no longer than one year. This Order shall remain in effect until December 15, 2022, unless terminated earlier by the Mayor or the Board of Supervisors.

- (2) The Human Resources Director is delegated authority to extend the term of exempt appointments under Charter Section 10.104(18) by up to one additional year for employees whose three-year appointment term will expire on or before December 31, 2022. This Order shall remain in effect until December 31, 2022, unless terminated earlier by the Mayor or the Board of Supervisors.
- (3) To clarify how the City shall treat vacation hours held by City employees in excess of the applicable vacation cap on June 30, 2022, Section 3 of the Thirty-Seventh Supplement is revised and replaced as follows:

Employees who accrued additional vacation hours above the maximum accrual limit under Section 3 of the Thirty-First Supplement to the Proclamation of Local Emergency must use vacation time and reduce their balance below the maximum accrual limit by June 30, 2022. Any provisions of the Charter, the Municipal Code, and City rules or regulations that would limit or prevent employees from carrying vacation balances above the maximum accrual limit are waived, including but not limited to Charter Section A8.440 and Administrative Code Section 16.12. For all employees who continue to carry

You make this hiring system so confusing
AND difficult to understand.
I'm Not sure whether the recourtment stated
AN APPLICANT MUST be A CURRENT Employee of
the Gly of SAN FRANCISCO, BUT IF I did NOT
MEET SUCH A requirement, then my
Application should have automatically been
towstered to the 1822 Administrative Analyst
Where category 18 exempt was not required.
I should NOT have to replI the same application
FOV A SECOND TIME !!
IN Furtherance, i have over 25 years of expensive,
education, & skill to perform the job However,
you want everyperon applying to be a " Litetime"
government worker & The city of SAN Francisco
Should seek a highly diverse workforce
a the A mixture from government, provate industry,
AND NON-profit organizating to round out the staff.
This would allow more creativity inideal and
problem-solving development while Avoiding
" group think" Having All staff that are
Lifetime government workers hurts creativity
And problem-solving Ability.
