RE: [Description of Required Improvement] ("Required Improvements")

This Architect's Certificate is being provided pursuant to Section 9.2 of that certain Disposition and Development Agreement, by and between Treasure Island Community Development, LLC, a California limited liability company ("**Developer**"), and the Treasure Island Development Authority, a California nonprofit public benefit corporation (the "**Authority**"), dated for reference purposes as of \_\_\_\_\_, 2011 and recorded in the Official Records of the City and County of San Francisco ("City") on \_\_\_\_\_, as Document No. \_\_\_\_\_ at Reel \_\_\_\_\_, Image \_\_\_\_\_ (as may be amended from time to time and including all exhibits attachments thereto, the "**DDA**"). The capitalized terms used but not otherwise defined in this Architect's Certificate have the meanings given to them in the DDA.

As Architect of Record for the design and construction of the Required Improvements, I visited the Required Improvements at intervals appropriate to the state of construction, or as otherwise agreed by me and Required Developer, to become generally familiar with the progress and quality of the construction completed and to determine in general if the construction was being performed in a manner indicating that the construction when completed would be in accordance with the Construction Documents approved by [**the City Planning Department**] [**the Authority**]. I observed the Required Improvements from \_\_\_\_\_, 20\_\_ to \_\_\_\_\_, 20\_\_, and all the statements made below are made as of the date(s) of my observation(s). My opinions and statements provided in this certificate are limited to my on-site inspections. I am not required to make nor have I made exhaustive or continuous on-site inspections of the Required Improvements.

I neither retained nor exercised control over or charge of, nor am I responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the construction of the Required Improvements.

I shall not be responsible for the contractor's schedules or failure to carry out the work in accordance with the Construction Documents. I neither have nor have had control over or charge of acts or omissions of any contractor, subcontractor or their agents or employees, or of any other person performing portions of the construction.

As Architect of Record for the construction of the Required Improvements and subject to the limitations set forth above, I hereby certify to the best of my knowledge, information and belief, in my professional opinion, as follows:

1. I have observed the construction of the Required Improvements on the dates set forth above.
2. The Construction Documents provide for the construction of the Required Improvements in accordance with all applicable laws, including laws relating to accessibility.
3. Construction of the Required Improvements has been performed in a good and work person-like manner and in accordance with the Construction Documents, except as may be noted on Exhibit S-A attached hereto.
4. All work performed and material and fixtures used in connection with the construction of the Required Improvements are in accordance with the Construction Documents, except as may be noted on Exhibit S-A attached hereto.
5. Construction of the Required Improvements has been completed in accordance with all applicable building laws, regulations and ordinances.
6. The required certificates, approvals and permits of all governmental authorities having jurisdiction covering the work to date on the Required Improvements have been issued and are in force, and there is not an undischarged violation of applicable laws, regulations, or orders of any governmental authority having jurisdiction of which I have notice as of the date hereof, except as may be noted on Exhibit S-A attached hereto.
