8. Discussion and possible action to approve the draft Memorandum of Understanding between the San Francisco Police Department and the San Francisco District Attorney's Office regarding the Investigation of Serious Uses of Force and In-custody Deaths for meeting and conferring with the San Francisco Police Officer's Association, as required by law. Motion by Commissioner Benedicto to not approve the MOU as written as this time to direct the Chief to go back to the District Attorney and the Mediator to consider the changes suggested tonight including forthcoming changes suggested by the Police Accountability and present them to the

District Attorney and the Mediator and once that is done, return to the Commission for discussion and action. Second by Commissioner Carter Oberstone. Approved 4-3.

NAYS: Commissioners Walker, Byrne, Yee

Motion by Commissioner Byrne for the Department and DPA to meet and confer about items discussed and to report back within 45 days. Second by Commissioner Walker. Approved 7-0.

AYES: Commissioners Walker, Benedicto, Yanez, Byrne, Yee, Carter-Oberstone, Elias

Commissioner Elias stated that she will be agendaizing the motion at the next commission meeting both in open and closed session since there is a pending legal question.

Commissioner Byrne asked DCA Porianda, "Since we didn't vote to extending the MOU because we couldn't, does that now make my motions still valid about approving the MOU because we couldn't vote to extend the MOU so the part of my motion to adopt the new MOU to February 15th is distinct from the other motion because we couldn't vote. The Chief gave us assurances that he would extend it but the result is there has been not vote on it and I'd like to make the record clear as to what this Commission is doing tonight, and I believe that my motion is distinct because it can't rule on the extension so can you tell us whether or not we can have a vote on this?" DCA Porianda responded by saying that the portion of Commissioner Byrne's motion to provisionally adopt the MOU is moot because of the motion that was adopted rejecting it.
