Order of Business:

1. Call to Order / Roll Call [discussion and action] Meeting called to order at: 3:03pm

Present: Michelle Kim, Tiffany Kenison, Larry McClendon, Linda Barnard

Absent: Maureen Guerrero

2. Approval of December Meeting Minutes [discussion and action]

Michelle – page 2, 3rd paragraph, members agree to “NOT” move forward

Larry motions to approve minutes with edit. Michelle seconds. 3 votes, minutes are approved.

3. Approval of Agenda [discussion and action]

Larry motions to approve agenda. Michelle seconds. 3 votes, agenda is approved.

4. General Public Comment - No Public Comment

5. House Keeping [discussion and possible action]

Staff shares that amount that SDDTAC will be recommending is \$11Mil more than last year at \$10.6Mil.

Applications for SDDTAC community seats are due on January 23, 2023, continue to share with your networks.

SDDT RFP outcome of received applications for second round of SDDT grantees. Twenty-one applications were submitted. Organizations serving the Pacific Islander and Native American communities did not submit and will be following up with organizations to clarify.

Community Grants Review Panel – thanks to OEWD for their model and process, SDDT was able to build off the process. Currently recruiting for applicants with deadline on February 6, 2023. Applicants can earn up to \$575 and include participation in training and reviewing of 5 proposals.

Staff are considering planning a SDDTAC half day retreat for various reasons. With new cohort beginning in March and currently SDDTAC does not get to fully digest the evaluation report which this opportunity would

allow for more time to review. Retreat would be at the of March. New SDDTAC members will get oriented separately and participate with the full SDDTAC in latter March, to provide an opportunity for members to dive into the work of SDDT. Should the Infrastructure subcommittee be interested as a thought partner in the planning, please inform backbone staff.

6. Debrief of AliahThink Tool Process at December Meeting [discussion and possible action]

Staff shared the SDDTAC AliahThink tool SDDT budget domain prioritization results from the December SDDTAC meeting as well as the sub elements prioritization.

CBO Grants = 47%

Nutrition Security = 23%

Healthy Food/Retail = 13%

Oral Health = 9%

Recreation & Community Building = 5%

Infrastructure = 3%

Member asked about how to analyze the inconsistency error and what does it mean? Staff will follow up with AliahThink tool staff to provide an accurate understanding and interpretation of the inconsistency rate.

Member states curiosity as to see what the prioritizations translate into dollar amounts. The AliahThink tool allowed member to talk about what was beneficial for each of the categories and to be familiar with the domains.

7. Subcommittee SDDT FY 23-24 and FY 24-25 Budget Discussions [discussion and possible action]

Staff oriented subcommittee with budget document which included AliahThink tool SDDT budget domain prioritizations. Members asked for accurate amount for infrastructure line item for staffing. Staff will follow up fiscal office for the accurate amount needed for staffing, per subcommittee request. Members recommend separating sub elements of the infrastructure budget domain.

	Budget Descriptions: SDDTAC recommends investing in strategies that support mental health and wellbeing and workforce pathways for impacted/priority populations.
COMMUNITY-BASED GRANTS	City Departments should contract directly with CBOs through an RFP process managed through the Community Health Equity and Promotion (CHEP) Branch of the Department of Public Health. CBG should support community-based programs and services that address the health inequities of those most targeted by the beverage industry. Funding should go to Community Based Organizations (CBOs) and Faith Based Organizations (FBOs) for the following strategies: 1. Health Education activities including, chronic disease prevention, healthy eating and active living, tap water promotion, oral/dental health 2. Physical Activity opportunities, including: a) Dance and movement, sports, yoga, walking groups, biking, etc.; b) Changes to the built environment (ie sidewalks, streets, parks, buildings, etc) or safety of the built environment that facilitates increased physical activity and walking and biking for utilitarian trips, sometimes referred to as active transportation 3. Food Security, including: a) Community-based pantries, community-based hot meals, community kitchens and community home delivery services; b) Increased financial resources (i.e. wages, income, government nutrition supplements, vouchers, etc.); c) Changes to the built environment that facilitate food security; and d) Pursuit of institutional or local policies that facilitate food security. 4. Water Promotion, such as support for Spa Water Supplies, station maintenance/beautification, refillable water bottles to distribute to communities, water testing 5. Community Based Participatory Research
Food As Medicine MediCal Waiver Program	One time infrastructure and capacity building grants for community based food organizations to prepare them to contract with health plans, use medical coding and billing, share confidential

	patient information, and other areas needed to access Medi-Cal funding for meals and groceries and nutrition services rendered.
CBOs working with SFUSD	Recommend 3% of all CBO funding go towards CBOs implementing programs/initiatives that take place in school settings. Funding to issue grants to CBOs should follow the guidelines above.
SFUSD	
School Food, Nutrition Ed	To improve the quality and appeal of school meals and support nutrition education to increase participation in school meal programs (for example: cooking and serving equipment, staff professional development, and innovative procurement and menu strategies to increase freshly prepared food). Funding will target schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry.
Student Led Action	Support student led efforts to decrease consumption of sugary drinks and increase awareness of sugary drinks consumption among students, with focus on schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry. SFUSD should provide to SDDTAC a proposal of how funding will be spent through student led action. Funding to also support adequate staffing for implementation.
Educational Investments	Educational investments across lifespan. Scholarships and other supports in higher education in health field for Priority Populations.
FOOD ACCESS	
Healthy Food Purchasing Supplement	Support programs that increase financial resources to purchase healthy food such as vouchers and food purchasing incentives. These funds should be RFPed out to CBOs and FBOs. Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; food that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability of food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no cost and culturally appropriate foods, including but not limited to food vouchers/incentives, transportation and delivery and prepared foods.
Healthy Retail	Supporting small business to increase healthy food access in high risk and impacted communities and neighborhoods by: 1) supporting business operations; 2) promoting community engagement; and 3) improving the retail environment.
ORAL HEALTH	
Community task forces	Support development of community infrastructure such as oral health community task forces that incorporate diverse stakeholders for outreach, education, and interventions to address the oral health needs of children in high risk populations.
School-based sealant application	Support school-based and school-linked preventive oral health programs within SFUSD schools serving high risk target populations. This should also support SFUSD dedicated oral health staffing.
School-based education and case management	
INFRASTRUCTURE	
Marketing/Promotion/Outreach	Funds to DPH/CBOs/Private media firms to support media and communications that include 1) grassroots, community-driven awareness campaigns about the intent of the SDDT and the impact of the allocated funds; 2) city-wide communications campaign highlighting the impact and importance of the SDDT; 3) communications materials for merchants; and 4) and communicate the harmful impact of sugary drinks and healthy alternatives. Examples include community-driven, messaging, print, online, and social media campaigns. This also includes regular communication to SF Board of Supervisors, Mayor's Office, Board of Education and other elected officials via newsletters and other mechanisms.

DPH Infrastructure	<p>A. Personnel</p> <p>1) Backbone staffing to support SDDTAC a. A program manager to provide backbone staffing to the SDDTAC, including: i) Staffing full committee and 3 subcommittees in compliance with Sunshine and Brown Acts; ii) Coordinating among city agencies and funded CBOs to promote collective impact; iii) Help guide vision and strategy of SDDTAC, support aligned activities; manage SDDTAC work and timeline; and iv) Working with evaluation team to establish shared measurement practices b. Manage citywide/soda tax impact media. c. Manage development/production of SDDTAC Annual Report d. Manage SDDTAC biennial nominations process</p> <p>2) Staffing to support DPH SDDT implementation of community based grants a. Manage work of contractors, including: i) develop and implement CBO RFP process; ii) provide technical assistance for CBOs and merchants; iii) promote collective impact in coordination with SDDTAC backbone staff and City Agencies; and iv) work with evaluator and SDDTAC backbone staff to develop and implement evaluation plan and evaluation technical assistance.</p> <p>3) Staffing to support research/evaluation of SDDT impact, including data purchases as necessary a. At least 1.0 FTE epidemiologist; b. Support data analysis for annual report; c. Manage data purchases; d. participate in development and implementation of SDDT evaluation</p> <p>B. Professional services including: i) technical assistance for funded CBO and FBO; ii) evaluation to develop framework and evaluate city agencies, CBO and FBO, and process evaluation from applicants, etc., iii) city attorney to provide ongoing technical consultation; iv) project management agency to offset fiscal intermediary costs.</p> <p>C. Materials/Supplies for meetings and printing costs</p> <p>D. Training to support staff development</p> <p>E. Data for collection (pricing), analysis (Nielsen) and purchase (IRI)</p>
WATER ACCESS	
Water Access - SFUSD	SFUSD water station installation. Also, invest in signage and art to 3 stations to pilot evidence-based community informed model for what designs should be and water education. Allows for comparison of usage between pilot stations with art work/education and those without.
Water Access - Public Spaces	Public water station installation. Also, invest in signage and art to 3 stations to pilot-evidence based community informed model for what designs should be and water education. Allows for comparison of usage between pilot stations with artwork/education and those without.
RECREATION & PARKS PHYSICAL ACTIVITY & WELLNESS	
Peace Parks	To support staffing and supplies, including healthy food, for Peace Parks programs in target populations.
SVIP: Peace Parks Transportation	Transportation for Peace Parks participants
REQUITY: Outreach, Scholarships, recreation equity	Requity offers free dynamic, engaging, and culturally-relevant recreation programming to youth under 18 living in shelters, foster care, public housing, or in housing developments. Through a combination of onsite and hyper-local program, coupled with extensive outreach, Requity increases access to and participation in RPD's existing programs and scholarships by educating and informing families on what RPD can offer them.
BREASTFEEDING	To fund a breastfeeding coalition to organize collective efforts across San Francisco to enable increased breastfeeding among Priority Populations. This coalition will mobilize action on policy, systems and environmental (PSE) changes to increase breastfeeding rates and duration, leveraging community strengths, and tackling structural barriers to reduce inequities to breastfeeding support. This would include funding for backbone support to: engage community stakeholders in a strategic planning and engagement process to develop a framework for short and long term goals embedding in principles of equity; help align breastfeeding support services in San Francisco including hospital, outpatient, and community based services to improve access to breastfeeding support; and provide technical assistance to partnering agencies (such as child care centers and businesses with less than 50 employees) to operationalize and implement breastfeeding friendly policies and practices. Funding will also support community based organizations that are already supporting breastfeeding.

* Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; foods that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability of food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no cost and culturally appropriate foods, including but not limited to food vouchers/incentives, transportation and delivery and prepared foods.
