Dear WISF Members,

Thank you so much for your service to San Francisco. As shared in previous communications, **your in-person attendance at our upcoming March 1, 2023 WISF meeting is mandatory**, and there is an important action item requiring quorum.

As a workforce development board formed under the Workforce Innovation and Opportunity Act (WIOA), the WISF is responsible for reviewing and approving the Regional and Local WIOA Plans. **OEWD will present the latest Regional and Local WIOA Plans to WISF for review and approval at the March 1 meeting**. After your review and approval, OEWD will submit the Plans to the State by no later than March 31.

Kindly find attached a memo with background summarizing this request and plan content, the Regional WIOA Plan Two Year Modification, and the Local WIOA Plan Two Year Modification. If you have any questions regarding these documents, please follow up with Jennifer Hand (jennifer.hand@sfgov.org).

Lastly, see the attached flyer for the Black History Month kick off at City Hall and celebration at the Main Library both happening this coming Friday, February 3rd!

Sincerely,

**Iris Rollins**
