The [Board of Examiners](#) (BOE) is a group of experts that determines if new construction methods or materials comply with safety standards.

The Board of Examiners is a group of experts created under Section 105.1 of the San Francisco Building Code. The purpose of the Board is to hear and determine the requests by the public as to whether new materials, new methods or types of construction comply with the standards and safety established by the San Francisco Construction Codes which include San Francisco Building Code, Plumbing Code, Electrical Code and Mechanical Code. The Board also had the power to determine reasonable interpretation of the provisions of the San Francisco Building Code, and to hear the appeals from the Director's condemnation order involving construction methods, assemblies or materials or where safety is involved.
